## RMR E-News April 19, 2016

**Hello RMR Faithful!**

I absolutely love Colorado! I like it when it snows a LOT and then it gets into the 50's and it all melts and then it does it again! We need the water and it is great for our grassy cover as it starts to wake up from the winter. We will be putting in our crop seed soon, too.

**Some fun things on tap for the kids, some shooting fun, and some horseback fishing fun! Take a browse below and participate!**

**Did you know that today marks the day " 'The Shot Heard Around the World' was fired..."?**

### **RMR MEMBER NEWS**

One of my friends and RMR member, John Eldredge, (Author of 'Wild at Heart' among other best sellers) has a new film that will be debuted on May 19th at select theaters around the country. (Thus the motorcycles in the headline...)Take a look at the trailer and make plans to meet us and watch this AWESOME Film! There are a dozen theaters in Colorado showing this film on the 19th...FYI. You can check out the places to view it on this site too.

# **BIG GAME DROP CAMPS IN COLORADO**

**We always get the questions this time of year and towards the elk and deer seasons in Colorado...**

**"Where can I go??"**

**"Do you know of an outfitter that will do a drop camp?"**

**Justin Adkisson is the son of one of RMR's long standing members, Grant Adkisson (a Guide and Outfitter himself as well as a Cowboy Preacher and a very good friend)**

**Justin Adkisson and his wife Mary own San Juan Outfitting and they offer drop camps in unit 77 (which is over the counter for elk) and all of the gear. You need your food and rifle or bow. They take you in by horse and show you where to hunt. They have fully guided trips too, but for the folks that need a place to go, and need all of the gear, this is the ticket. It is VERY AFFORDABLE and we recommend them! (Several of us are going with them again this year, too!)**

**Don't wait to book, since they are quality, not quantity! Here is their brochure and website. Tell them RMR told you to say HI!**

## Back in the day--

Nature is interesting, especially the human animal that we are. Do you remember flirting with your spouse or even further back...high school or even grade school?

This video shows that flirting has been going on for centuries!

## SNAKE AVOIDANCE CLASSES

Our friends Dale and Brenda Merritt from Bearpoint Kennel will be hosting this class again. If you live or hunt in a place that has snakes, this is something you might want to consider. (By the way ....I HATE SNAKES! We have never seen a rattlesnake at RMR. A couple members think they saw one a few years back, but if they are here it is very, very rare. In 31 years we have not caught or killed one, let alone seen any)

**5 or 7 day pack trips that Justin and Mary Adkisson offer. This is also a FANTASTIC thing to do as a family. Horse pack trips are a great way to spend a vacation, and are an affordable STAY-CATION in Colorado's high country.**

**TWO FOR THE ROAD**

Some boy scouts from the city were on a camping trip. The mosquitoes were so fierce, the boys had to hide under their blankets to avoid being bitten. Then one of them saw some lightning bugs and said to his friend, "We might as well give up. They're coming after us with flashlights!"

+++++++

A social worker from Ohio who was recently transferred to the mountains of North Georgia, was on the first tour of his new territory when he came upon the tiniest cabin he had ever seen in his life. Intrigued, he went up and knocked on the door.

"Anybody home?" he asked. "Yep," came a kid's voice through the door.

"Is your father there?" asked the social worker.

"Pa? Nope, he left before Ma came in," said the kid.

"Well, is your mother there?" persisted the social worker.

"Ma? Nope, she left just before I got here," said the kid.

"But what," protested the social worker, "are you never together as a family?"

"Sure, but not here," said the kid through the door. "This is the outhouse."
