Hello RMR Faithful! HAPPY EASTER!!

Things at your club go from chasing birds to turning dirt! We took a much needed few days off to regenerate and we are back at it, getting the ground ready to plant seed. We need everyone to put the power of prayer to work and pray for some much needed rain at RMR. Be specific...a few inches a week (especially after we get the seed in the ground!) I am counting on all of you to join us in asking for water! You can be a part of the process—we will turn dirt and plant seed and we will all ask for irrigation from the heavens!

Off the wall question...of the RMR family, who of you are Eagle Scouts? Who among us went to Boy's State and from what state?? (I was a Boys State participant from Colorado) My nephew and RMR guide Logan Kidd is one and so is RMR guide Jack Warnecke. Email me and let me know...just for fun!(I might do something special for you guys!!)

The ranges are open and we are on summer hours, as you know. Tuesday through Saturday. Let us know you are coming so we can have someone to meet you at the clubhouse. We are going in nine directions at the moment, so a phone call is appreciated to let us know when you will be coming to shoot. 719-635-3257

DON'T FORGET!! If you want a chance to win the STATEWIDE ELK and/or PRONGHORN license, go to the [COLORADO CHAPTER of SCI](#) and buy a ticket or two! Drawing is June 3rd at the Colorado Springs Get Outdoors Day sponsored by **The Mike Johnson Youth Hunting Project!**

RMR MEMBER NEWS

RMR is glad to have Dr Mike Morgan back from his cancer treatment. Mike says

he is getting stronger every day and that is great news! He was out with his dogs training and told us he is looking forward to a strong summer!

For those of you that know Dr Rick Pfeiffer (previous member), his Dad passed away Monday and the funeral is this Friday, April 14 in Colorado Springs.

**Do you know anyone that would like to get the

TICKS-- We have seen some at the club!

The weather has been warm enough early, that a few members have found some ticks on their clothing while running their dogs at the club. We think that the ticks are in the creek bottoms, but can not be 100% sure.

Please take precautions when you are going in the field ANYWHERE in Colorado. There are some really good Tick Sprays on the market, and they are great to spray your pants and shoes. Check your dogs when you are out of the field, too.

Two great articles--

DON'T LET THE TICKS BITE YOUR DOGS!!

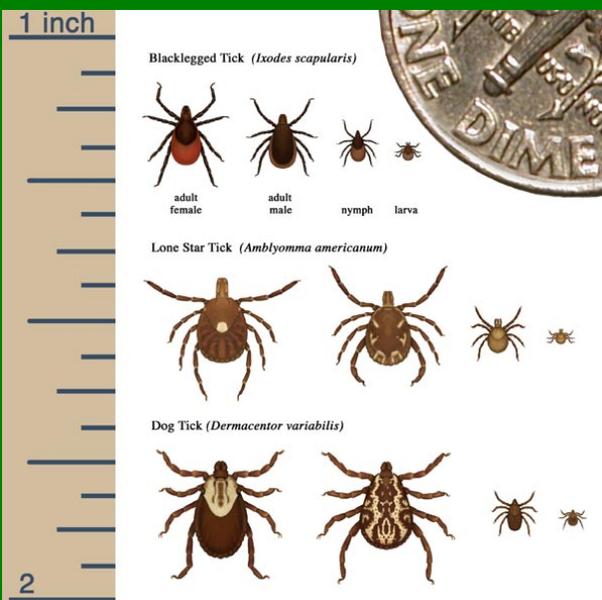

STOP TICKS ON HUMANS!!

TICK WARNING

Please send this warning to everyone on your e-mail list.
If someone comes to your front door saying they are checking for ticks due to the warm weather and asks you to take your clothes off and dance around with your arms up,
DO NOT DO IT!! THIS IS A SCAM!!
They only want to see you dance naked.
I wish I'd gotten this yesterday... I feel so stupid.

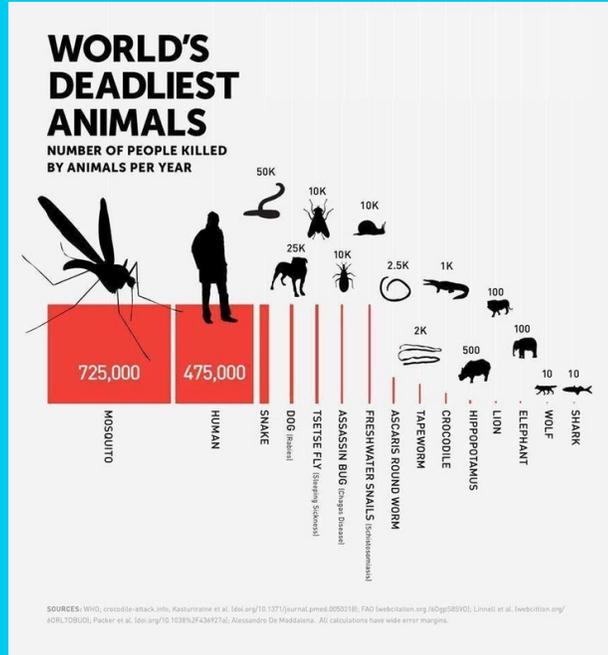

KEEPING WITH THE BUG THEME...

This guy says he has the ultimate mosquito repellent that you don't put on your skin!

I am going to try this....start saving your coffee grounds!

DON'T BITE ME

If you get a chance to give your grandkids a lemon, video tape it!

THIS IS SOUR GRANDPA!!

ONE FOR THE ROAD

Winston Ellington Churchill III ran a nice upland game lodge in New York. The lodge was situated in a beautiful scenic valley that once was very rural.

As time progressed the quiet rural highway sadly changed. The traffic slowly built up and eventually got so heavy and so fast that his free range pheasant were being run over, at a rate of three to six a week.

So Winston called the local police station to complain, "You've got to do something about all these people driving so fast and killing all my pheasants, there won't be any left for the hunters this year," he said to the local police officer.

"What do you want me to do?" asked the policeman.

"I don't care, just do something about those crazy drivers!"

So the next day the policeman had the Council erect a sign that said:
SCHOOL CROSSING

Three days later Winston called the policeman and said, "You've still got to do something about these drivers. The "school crossing" sign seems to make them go even faster!"

So again, they put up a new sign:
SLOW: CHILDREN AT PLAY

That really sped them up. So Winston called and said,
"Your signs are no good. Can I put up my own sign?"

In order to get the lodge owner off his back the policeman said
"Sure. Put up your own sign."

The phone calls to the Police Station stopped, but curiosity got the better of the Officer, so he called the lodge.

"How is the problem with the speeding drivers, and did you put up your sign?"

"Oh, I sure did and not one pheasant has been killed."

The policeman was really curious and thought he'd better go down and check out the hunting lodge and take a look at the sign. He also thought the sign might be something the Police could use elsewhere, to slow drivers down.

So he drove out to Winston's lodge.

His jaw dropped the moment he saw the sign.

'NUDIST COLONY'

'Slow down and watch for chicks!'
