RMR E-News August 1, 2016

Hello RMR Faithful!

The major hail storms that have hit Colorado **HAVE NOT** hit the club and we are so blessed. The damage has been unreal all over the state. If you have had damage and need a roofer, RMR has several members that are roofing contractors. Send me an email at hunt@rmroosters.com and I can give you some names in your area. It is great that our members patronize each others businesses. We really are a tight family...if you haven't already noticed!

We are taking reservations for the **GIANT QUAIL** hunts for this year. These hunts are all day events and groups of up to four can harvest 100 Bobwhite Quail. This is a fantastic workout for your dog or you can chose to have an RMR guide take you on the adventure. The cost is still only \$950 and this is a limited opportunity. We run these hunts from the first of October through December 15th. You don't have to pick a date now, but you do need to get your name on the list for a hunt or two. We have 30 hunts each year and there are 15 left for this year. Give us a call or email us to get on the list for one or two hunts! **719-635-3257** hunt@rmroosters.com

WHO REMEMBERS?? Who remembers what happened in Colorado 40 years ago July 31st?? Hint..it killed 144 people. [This story](#) brought back tears and horrible memories. What do you remember from that fateful day??

RMR MEMBER NEWS

A BIG THANKS to RMR member Jay Hoffman and his company Executive Pro Dry in Colorado Springs. During one of the recent torrential rainstorms, my home experienced some flooding. I called his office and Jay was the one that answered. 30 minutes later he and one of his employees were at my door with water extraction equipment and fans. It was after 10pm when they left and kept the dryers running for a couple of days. I was so impressed and grateful for his expertise and great

customer service. I have had to use other companies for the same problem, unfortunately, and I can tell you that Jay and his company blow those other companies out of the water when it came to the job they did and how fast they arrived.

You never know when you might need emergency services like this, but keep his name and number around. **719-573-8390** www.executiveprodry.com

THANKS JAY! I hope I don't have to use you again, but glad you were here when I needed your help!

ALASKA BROWN BEAR vs BULL CARIBOU

I have had the opportunity to hunt both Brown Bear in Alaska and Russia and Caribou in Alaska and several other Canadian Provinces, and they are both exciting to hunt. Both animals are majestic and very strong.

Who will win a fight between a Mother Grizz and a Trophy Bull Caribou??
Graphic Nature Photography-- but a ring side seat to the power of these awesome animals!

TWO FOR THE ROAD

At the supermarket, a woman shopped with her four boys and a baby. Her patience was wearing thin as the boys called out, "Mommy! Mommy!" while she tried to shop.

Finally, she blurted out, "I don't want to hear the word mommy for at least ten minutes!"

The boys fell silent for a few seconds. Then one tugged on his mother's dress and said softly, "Excuse me, miss."

Finding one of her students making faces at others on the playground, Ms. Smith stopped to gently reprove the child.

Smiling sweetly, the teacher said, "Bobby, when I was a child, I was told that if I made ugly faces, it would freeze and I would stay like that."

Bobby looked up and replied, "Well, Ms. Smith, you can't say you weren't warned."
