RMR E- August 6, 2015

Hello RMR Faithful!

We are about a month out from our 30th year start date....get ready for the season!

Bill is home and in rehab now. It will be a long process, but he expects to be back full strength and running hunts this fall. That is exactly what he needs to be doing for his recovery....getting out and exercising and what a better way than following hunting dogs around in the field? There is a note from him in this newsletter, too.

The guys are working non stop building the new shooting platforms for clay targets. Revamping the PYRAMID and building Mini-Me has taken some time, but it will be a great addition to the club. Brand new clay target ranges! Gun stuff!

I will be out of the office for a couple of weeks as I travel to British Columbia to try and finish the last leg of my Grand Slam of Sheep. This is my 3rd try for a Stone Sheep, and I am more than ready to put him in my freezer and on the wall! Pray for my success and wish me luck! Watch for stories and pictures in September.

We will be open for hunting on September 19th. We will only hunt in the mornings until it cools down, as we have been since we opened in 1985! It is just too hot in September to run the dogs when the temps are in the high 70's and 80's.

We are holding our last **BASIC PISTOL CLASS** of the year on September 12th. If you have been putting this off all summer, don't wait any longer. This is the last

one we will do until next spring. (It is just too hard to hold classes when we are hunting and we spend a lot of time on the range and it is much more fun without gloves and heavy coats!)

Cost is still only \$90 and the class is an 8 hour course and when you finish you will get an NRA certificate so you can get your concealed carry permit if you want to.

SPORTSMEN AGAINST HUNGER

We collected enough meat to serve 9000 meals

A huge thanks to the RMR members who came out and supported the annual Sportsmen Against Hunger food/meat drive. Sportsmen do great things when we are asked to help!

WE NEED THIS GUY IN A DUCK BLIND!!!

This guy can imitate most animals....I would be you can't do more than one! Imagine if he could call Elk or Moose or Geese!!

AMAZING ANIMAL SOUNDS **FROM A HUMAN VOICE!!**

IT ISN'T A GOOD IDEA TO NAME YOUR FOOD

A lot has been written and said about the Lion that was killed by the hunter in Zimbabwe. Here are a couple articles that sum it up for me. When it comes down to it, without writing a book--

Hunters do more for watchable wildlife than any other group.

A human life is worth more than an animals life.

It isn't smart to name your food. This all started with Bambi. (I have named some of my tasty Moose and Deer and Elk, after the fact, however!)

The people in Africa don't know who Cecil the Lion was and they don't care. They want food, water, medical supplies, education and jobs. If people come and hunt a Lion or Elephants that gives them all of the things they want and need.

Thanks to hunters, people can go see wildlife in all parts of the world...from Rocky Mountain National Park to the Kruger National Park. If it wasn't for hunters' dollars and our conservation efforts, there would not be the parks, wildlife and recreational opportunities for EVERYONE to enjoy.

SPORTSMEN MATTER!

Share the message and don't be afraid to stand up and stand out!

A NOTE FROM BILL LIEB

A quick update, I'm back in the saddle kinda as I'm not allowed to do anything for a while but went to the cardiologist yesterday and got an A+ so everything is on the mend just have to take it slow. Again would like to thank all of you for your prayers, thoughts, cards and gifts and look forward to seeing and talking to you all.

So all that said I think I beat the WIDOW MAKER! Take it

from me....don't put off seeing your doctor and quit smoking!

TWO FOR THE ROAD

A little girl was watching her parents dress for a party.

As her dad donned his tuxedo she warned, "Daddy, you shouldn't wear that suit."

"And why not, darling?" he asked.

"You know that it always gives you a headache the next morning."

+++++

Two old men were sitting in the yard outside the old people's home one day when Tim turned to the other and said "John I'm really feeling my age today I just hurt all over, how are you feeling?"

John replied "I feel just like a new born baby"

Tim looked at him startled "A new born baby, really?"

"Yep, I have no hair, no teeth, and I think I just wet my pants."

Dove Season is September 1st. The opening day is for members only. After opening day members are welcome to bring guests and family for \$30 per person per day.

You must call us to let us know you are coming on opening day. We have seen a lot of birds and if the weather holds, it will be a good Dove year.

We are getting ready to go paperless with our liability release. We got approved by the insurance company to have hunters sign in electronically so your guests will sign in on a lap top at the wagon wheel bar. Technology is good in most cases (and we will be able to read it!!)
