RMR E-News August 7, 2016

(Just an FYI to RMR E-News readers. You might get two E-News this week since we send our notes and news out quarterly to guests and friends--it will include some things that have been in past enews, but interesting things for the folks that don't get our info weekly)

Hello RMR Faithful!

The activity is picking up at your club. The members are bringing their friends out to shoot on the two shotgun venues...the LIBERTY and FREEDOM 5 Stands....and many of you are getting those rifles sighted in for big game seasons, too. We are still on summer hours (open Tuesday thru Saturday) and appreciate you calling to let us know you are heading our direction to shoot or run your dogs. (We don't stick around the office much since there is always a boatload to do at your club)

Next Saturday, August 13, the club will be closed for the day. We have a wedding reception at the clubhouse and a basic pistol class at the range. We will reopen on the 16th for regular business.

GIANT QUAIL HUNTS--We are taking reservations for the **GIANT QUAIL** hunts for this year. These hunts are all day events and groups of up to four can harvest 100 Bobwhite Quail. This is a fantastic workout for your dog or you can chose to have an RMR guide take you on the adventure. The cost is still only \$950 and this is a limited opportunity. We run these hunts from the first of October through December 15th. You don't have to pick a date now, but you do need to get your name on the list for a hunt or two. We have 30 hunts each year and there are 11 left for this year. Give us a call or email us to get on the list for one or two hunts! **719-635-3257** hunt@rmroosters.com

RMR MEMBER NEWS

Prayers go out to Gary Willoughby and his family as they are with his mother

after open heart surgery. "She is a tough ol' bird"!

I spoke to Dick Hansen and he is doing much better after all of his heart problems. He appreciates our continued support and prayers.

Congrats to Colt and Kate Haugen on the birth of their baby girl. You need a puppy to go along with her like you did your son!

Jennifer Abeyta gave birth to baby boy #5, and Dan gets to go bear hunting in a month in Alaska! (Maybe it is so they don't have #6!!) Congrats to the Abeyta clan...making their own baseball team organically!!

Do you know anyone that would like to get the RMR E-News on a regular basis?

You will get more of the witty and informative notes now that the season is starting. We will keep you up to date on things at the club and industry related around the state and country.

If you know of anyone that would like to get our news, send them to the website and have them sign up to get the newsletters. If you are not already getting the E-news, you can go to the website too, or just

ARE YOU GETTING SCAMMED??

We have some of the best honey in the world at Rocky Mountain Roosters...honey that comes from the land that you hunt on and round the area. The bees do a lot of work for you!! BUT---even though this is real honey, the stuff you buy other places might not be honey at all!!

SAVE \$50 on Your Goose Hunting

Travis Reininger and the gang from **STILLWATER OUTFITTERS** are ready to start whacking the geese and ducks for the 2016-17 season.

Travis is still giving the RMR folks a great discount for the hunts again this year....but you must make a reservation to hunt before October 31st to get the discount. His price for the waterfowl hunts is \$250, but RMR folks will save \$50 per gun if you book a date between now and the end of the season, which is February 12, 2017.

You don't have to hunt before the 31st of October to get the discount, but you do have to make a reservation to hunt.

CALL TRAVIS AT 303-659-8665 and tell him you are with RMR to get the \$50 per gun discount. DON'T WAIT and miss out on the RMR deal!! You can see his website at www.stillwateroutfitters.net and he is also under our affiliates on the Rocky Mountain Roosters home page.

If you are a single hunter or don't have a group, Travis is putting singles or pairs together so you can still hunt without trying to find people to fill the slots.

TWO FOR THE ROAD

I was driving home from work when I was pulled over for not wearing a seat belt. Three days later, I got the same ticket, at the same stop, from the same cop.

"So, have you learned anything?" asked the cop.

"Yes, I have," I began. "I've learned it's time to find a new way home from work."

A lawyer meets with the family of a recently deceased millionaire for the reading of the will.

"To my loving wife, Rose, who always stood by me, I leave the house and \$2 million," the attorney reads.

"To my darling daughter, Jessica, who looked after me in sickness and kept the business going, I leave the yacht, the business and \$1 million."

"And finally," the lawyer concludes, "to my cousin Dan, who hated me, argued with me and thought I would never mention him in my will. Well, you were wrong. Hi Dan!"

Are you watching the Olympics? We have several RMR members that have businesses that are advertising during the games on TV, and seeing their great TV commercials, I got to thinking last night...it is scary when I think...what sport costs the most to participate in?

Our friend Kim Rhode represents the USA in Shotgun Shooting, and we know how expensive it is to shoot a shotgun...so that would be expensive to do 'on your own' without help. Fencing, gymnastics, swimming, wrestling---these can't cost nearly what it would on a per person basis (not taking anything away from ANY athlete)

I think the most expensive sport to participate in would be the equestrian sports. Imagine what it costs to outfit, feed, take care of the medical bills and TRANSPORT the horses to the venue. Does anyone have an idea what this would cost?? How much does it cost to fly a horse someplace?? What do you think?? Let me know and we will pass around your comments...

GOOD LUCK USA!! Make us proud!
