Hello RMR Faithful!

A Quick Note

I am trying to make sure all of my proverbial ducks are in a row before I go north to complete my grand slam of sheep. I need the Stone's Sheep and they say 4th time is charm, right? Positive thoughts and prayers for me on this one. The hunter that started on August 1st got his on Aug 2, so that is a good sign!

The rifle and pistol ranges are open Tuesday - Saturday and you can shoot as long as you want for only \$10 per person per day. If you want to use the ranges, come to the clubhouse and get a target stand to take to the range.

The shotgun ranges are still under construction, but they are getting close to being finished. They look AWESOME! You will have fun with them this fall.

I don't have much to tell you, but needed to ask for some prayers for some folks. If you have been in the club very long, you know that I really believe in the power of prayer. Help me with these requests, please.

RMR HELP PLEASE

Scott Axton, our office manager, and I had a chance to spend about 45 minutes with RMR LIFE MEMBER Frank Goeson yesterday, and what a great time! Frank was given 12 months to live 44 months ago, and he is now under hospice care. He continues to beat the odds, and his mind is sharp as a tack in spite of the ravages of cancer taking over his physical body.

Please keep Frank and Ann in your prayers. He is a great friend of RMR and of ours personally. We have an area named after Frank and the next time you hunt there think of him.

Robin Kellogg's mother had a bad fall and now has bleeding on the brain along with Alzheimer's Disease. Please keep the Kellogg family in your prayers, too.

One of my partners in my Argentina Dove Hunting operation, Junior Maers, has been with a fever for 17 days. The doctors don't know much, but they think it is a virus. Please ask the Good Lord for healing for Junior. He is such a great guy and he is really hurting.

Keep Bill Lieb and his father Bill Lieb, Sr in your prayers for healing. Bill is walking more each day and he knows he is a 'walking miracle'. Keep after it, buddy!

LAST CLASS OF THE YEAR September 12th

We are holding our last **BASIC PISTOL CLASS** of the year on September 12th. If you have been putting this off all summer, don't wait any longer. This is the last one we will do until

next spring. (It is just too hard to hold classes when we are hunting and we spend a lot of time on the range and it is much more fun without gloves and heavy coats!)

Cost is still only \$90 and the class is an 8 hour course and when you finish you will get an NRA certificate so you can get your concealed carry permit if you want to.

A GUNS FOR SALE

Tom Baker has a smoking deal on a shotgun...perfect time of year for a new gun! (Is there a bad time of year for another gun??!???)

Browning 12 gauge Lightning Sporting Clays. Invector plus (complete set). 30" ported barrel. Asking \$900.00 This is a sweet gun that isn't made in this particular configuration anymore. It was marketed as a combination field/clays gun and it has lived up to that reputation especially in the field.

Give Tom a call....don't think to long on this one! (303) 995-8578

TWO FOR THE ROAD

A man got really drunk one night in his local pub.

The barman refused to serve him any more alcohol and told him he should be heading home.

The man thought this was a good idea so he stood up to leave but fell over straight away.

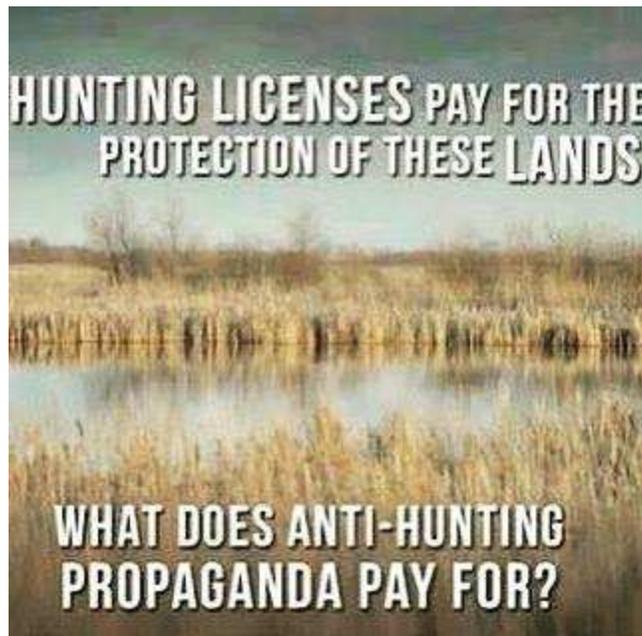

He tried to stand up again but only fell over again.
He thought if only he could get outside and get some fresh air he'd be grand.
So he crawled outside then tried to stand up and fell over again.
In the end after falling over lots more he decided to crawl home.
When he got back to his house he pulled himself up using the door handle but as soon as he let go he fell over again.
He had to crawl up the stairs and managed to fall over onto the bed and fell asleep.
When he finally woke up the next morning his wife asked him what he was doing at the pub last night.
He denied it but she said, "I know you were there..." You maintained your innocence until... the barman rang to say you forgot your wheelchair again...."

+++++

A funeral procession pulled into a cemetery. Several carloads of family members followed a black truck towing a boat with a coffin in it. A passer-by remarked, "That guy must have been a very avid fisherman."
"Oh, he still is," remarked one of the mourners. "As a matter of fact, he's off to the lake as soon as we bury his wife."

We are getting ready to go paperless with our liability release. We got approved by the insurance company to have hunters sign in electronically so your guests will sign in on a lap top at the wagon wheel bar. Technology is good in most cases (and we will be able to read it!!)
