LOW LIGHT / NO LIGHT SHOOTING CLASS

DID YOU KNOW THAT 85% OF SELF PROTECTION ENCOUNTERS WITH A HANDGUN OCCUR IN THE DARK???

We will be holding a special class to teach you how to shoot in the dark using a flashlight. This class is open only to students that have taken our classes or have their concealed carry permit. The cost is only \$70 per person and you will need your gun, holster, 50 rounds of ammo and a flashlight. (an "End Cap Switch" is preferable, but any small handheld light will do. Don't bring the magnum-mambo Mag-Lite that is 2 feet long....)

The class starts at 6:00pm. We will go over basics again, shoot in the light and show you how to use the light WHILE THE SUN IS STILL UP. We will take a break for a BBQ dinner (hotdogs, chips & drinks). When it is dark we will put our knowledge to the test and shoot in the dark! The class should be done by 9:30-10pm.

The students that have taken this class have all said that "this is a very important class to take" since most of your self defense with a handgun will take place in the dark!!

Low Light / No Light Class is August 19th

FLASHLIGHTS AND CHARGERS HAVE ARRIVED!!

We received another shipment of the E-9 Powertac flashlights and the recharging units last week. They are great lights and the price is right, for sure. They are perfect for a backpack or console in your car and fantastic for gifts! We have a dozen in stock now.

The **FLASHLIGHTS** are still only \$94. Many of you have them already, and the **RECHARGING UNITS** are now only \$36. This comes with 2 full size batteries (like having 4 of the smaller 123's), a wall plug and a car adapter. They normally sell for \$45!! Get them while they last! Email us if you want one or two of either or both!!

CAN I USE FORCE TO STOP SOMEONE FROM STEALING MY CAR??

We recommend being a member of [US Law Shield](#)-- it is cheap insurance and they provide more than just criminal defense--they provide civil defense, too.

Here is the answer to this question:
Can you shoot someone breaking into your vehicle?
And even if you can, should you? [Click to watch](#)

Prayers for RMR member Rick Johnson and his Family

RMR has had Ryder and the Johnson Family in our prayers for months, and many of you have asked us what we knew of the search. Here is the news and statement from the Johnson's.

Johnson Family Statement

After a year and a half, it is with mixed emotions that we receive the news of the recovery of Ryder's remains. The journey of a missing child and sibling is an especially difficult and uncertain one, but we have been sustained and lifted up by faith, hope and love. We are saddened by the loss of our son and brother, relieved that we can finally bring Ryder home and grateful for the 20 years he enriched our lives.

Our heartfelt thanks to everyone in our community who searched thousands of acres of vast and rugged terrain in the Walker Ranch area. We are grateful for the first responders, Rocky Mountain Rescue Group, as well as to Boulder Emergency Squad and Colorado Forensic Canines, for giving selflessly of their unique talents. A special thank you to the search and rescue officers and detectives of the Boulder County Sheriff's Office. These local law enforcement personnel distinguished themselves in so many ways and were incredibly caring, compassionate, persistent and professional with our family. We owe them a debt of gratitude for providing us the gift of closure that can never be fully repaid. We also recognize and greatly appreciate the miracle of a lone fisherman who discovered the remains.

In honor of Ryder's memory, our family wishes to establish Ryder's Fund to be administered by the YMCA of Boulder Valley. The fund will be directed to enhancing the healthy development of young people in our community and assisting them with life's challenges. The fund will seek opportunities for collaboration with local law enforcement officials to maximize impact and include grants to local organizations.

Contributions can be directed to Ryder's Fund at www.ymcabv.org/ryders-fund or by personal check payable to

**HOW TO MAKE RESERVATIONS
TO HUNT AT YOUR CLUB**

Here are the rules for you to make a reservation. Remember that we have a 48 hour cancellation policy. IF weather is so bad that it is unsafe to get to the club, we will cancel the hunt and will call you. We do not want to endanger anyone, but we hunt in all sorts of weather.

If you call the office to make reservations, please speak slowly and leave your phone number...believe it or not we have more than one John or Jim as members!

The only number you call to make reservations is the office--719-635-3257. If it is after hours during the week, leave a message and we will call you the next business day. (Don't call the clubhouse to make reservations....please!) You can call the office Monday - Friday, 8am-5pm and make reservations by phone at 719-635-3257. You can also make reservations by email. Email hunt@rmroosters.com

When you email a reservation, we will reply to you to confirm the reservation. You need to tell us how many hunters are in your group, if you will need a guide (are you hunting with your own dog or not) and what birds you want to shoot...Pheasants or Chukar or BOTH. A mixed bag is lots of fun and you don't have to care about what gets up to shoot at.

Do not email hunting reservations after 5pm on Friday....weekends. We don't always look at email during the weekends. Call the office number and it will direct you to the clubhouse, if we are not in the office to get your call.

EMAIL OR PHONE...THOSE ARE THE TWO WAYS TO MAKE RESERVATIONS. DO NOT CALL THE CLUBHOUSE TO MAKE RESERVATIONS (UNLESS IT IS ON THE WEEKEND)

REMEMBER!!!

There is a 48 hour cancellation policy.
We can not take more than 4 people in a party NO EXCEPTIONS!!
The guide fee is \$50 per group, not per person. 1 to 4 hunters.
Hunts start at 8 and run until 11am or from 1 to 4pm.

CANCELLATIONS OR RESERVATIONS AFTER HOURS OR ON THE WEEKENDS--

Don't leave messages on the office recorder after 5pm on Friday for reservations or cancellations. We won't get them until Monday. Do not email on weekends either. If you have a cancellation, you must call so we are 100% sure we get the message that you can't make your hunt. Don't email or text (we don't do texts)

TWO FOR THE ROAD

A little girl was talking to her teacher about whales. The teacher said it was physically impossible for a whale to swallow a human because even though a whale is a very large mammal, its throat is very small. The little girl stated that Jonah was swallowed by a whale. The teacher reiterated that a whale could not swallow a human, it was impossible. The little girl said, "When I get to heaven I will ask Jonah".

The teacher asked, "What if Jonah went to hell?"

The little girl replied, "Then you ask him!"

++++++

Just because someone doesn't love you the way you want them to, doesn't mean they don't love you with all they have. Ralph and Edna were both patients in a mental hospital. One day while they were walking past the hospital swimming pool, Ralph suddenly jumped into the deep end.

He sank to the bottom of the pool and stayed there.

Edna promptly jumped in to save him. She swam to the bottom and pulled him out. When the Head Nurse Director became aware of Edna's heroic act she immediately ordered her to be discharged from the hospital, as she now considered her to be mentally stable.

When she went to tell Edna the news she said, 'Edna, I have good news and bad news. The good news is you're being discharged, since you were able to rationally respond to a crisis by jumping in and saving the life of the person you love... I have concluded that your act displays sound mindedness.

The bad news is, Ralph hung himself in the bathroom with his bathrobe belt right after you saved him. I am so sorry, but he's dead.'

Edna replied, 'He didn't hang himself, I put him there to dry...

How soon can I go home?'
