## RMR E-News December 16, 2015

**Hello RMR Faithful!**

**We are in the winter mode....snow then sun and warm hunting days! I LOVE COLORADO! We were blessed with about 4 inches out of this storm, and the snow had melted from the last one, so it is all fresh. Perfect hunting conditions for sure!**

**We are rolling into the Christmas Holiday Season and this is the time that I work hard on getting out the CHRISTMAS MESSAGE TO THE MASSES, so this note will be short and the BIG CHRISTMAS NEWSLETTER will be in the mail with your calendar and goodies and on line for the non-members.**

**The holidays are a busy time at the club, too! If you want to hunt, don't wait too long to make reservations, especially if you need a guide.**

**REMEMBER!!!! Don't leave messages on the office recorder after 5pm on Friday for reservations or cancellations. We won't get them until Monday. Do not email on weekends either. See the HOW TO MAKE RESERVATIONS section below for a refresher.**

**THANK YOU FOR YOUR PARTICIPATION!!**

**We have had several of you take the time and get on TRIPADVISOR and give Rocky Mountain Roosters a review...THANKS!! You can still go on and give us a review. It helps when people are looking for a day hunt or a club to**

belong to. [Click here to review RMR](#)

### **RMR MEMBER NEWS**

I was floored last night when I heard about LIFE MEMBER DR THOMAS MORGAN's injury. Thomas is a great friend of RMR and was one of a few folks that thought we would make it as a hunting club and joined as a LIFE member back in 1994. Last Monday he was burning leaves at his home in North Carolina and he accidentally burned himself. Being a stubborn Doc, he self treated the burns and his burns got infected. Long story, flight for life to Nashville and he is in grave condition and on life support....heart and kidney failure along with other stuff. Please pray for Thomas and for his wife Robin...THEY NEED IT AS A COUPLE TOO!

(I heard just a few minutes ago that he is off of the ventilator and has spoken to his nephew. He isn't out of the woods yet, but the prayers are working!)

Prayers for Dan Mommer's mother, Dot,. She had a stroke last week, but is recovering and in rehab now.

**[Do you know anyone that would like to get the RMR E-News on a regular basis?](#)** You will get more of the witty and informative notes now that the season is starting. We will keep you up to date on things at the club and industry related around the state and country.

## Christmas Puppy

Ed Eggleston has 2 male black Labradors left from his female CORLEE and the breeding with Ben Garcia's Dog PETE. Petes: hips excellent, elbows normal, eyes normal, EIC/CNM clear. Corlee: hips excellent, EIC/CNM clear \$900 and both parents are great hunters. (719) 499-3150  
(I am never one to buy animals on holidays, but what a perfect idea for a hunting partner under the tree this year!!)

## **GREAT CHRISTMAS GIFT IDEA**

**We can ship these to you before the big day so you can put them under the tree. This is the best flashlight made, in our opinion, for the price. Great for the car, shooting, the nightstand, hunting and fishing etc. The brightest flashlight you will ever own!**

**This M20-X Warrior LED flashlight has four different brightness settings and you can use the 123 batteries or the rechargeable Li-ion batteries (get these for sure...it will save you a ton of money in the long run)**

**You can find these in catalogs for over \$200 but we have an agreement with the manufacturer to sell these at our cost of \$96. The recharging system and two batteries is only \$34....compare this to \$70 at Batteries Plus!!**

**Delivered USPS Priority mail from RMR Office for \$141 for both the light and charger. If you just want the light (it comes with a carrying case, a filter, and a spare battery holder) it is \$106 delivered. Call us ASAP if you want one and we will get it out in the mail today! 719-635-3257**

## HOW TO MAKE RESERVATIONS

Here are the rules for you to make a reservation. Remember that we have a 48 hour cancellation policy. IF weather is so bad that it is unsafe to get to the club, we will cancel the hunt and will call you. We do not want to endanger anyone, but we hunt in all sorts of weather.

If you call the office to make reservations, please speak slowly and leave your phone number....believe it or not we have more than one John or Jim as members!

The only number you call to make reservations is the office--719-635-3257. If it is after hours during the week, leave a message and we will call you the next business day. (Don't call the clubhouse to make reservations....please!) You can call the office Monday - Friday, 8am-5pm and make reservations by phone at 719-635-3257.

You can also make reservations by email. [Email hunt@rmroosters.com](mailto:hunt@rmroosters.com)

When you email a reservation, we will reply to you to confirm the reservation. You need to tell us how many hunters are in your group, if you will need a

guide (are you hunting with your own dog or not) and what birds you want to shoot....Pheasants or Chukar or BOTH. A mixed bag is lots of fun and you don't have to care about what gets up to shoot at.

Do not email hunting reservations after 5pm on Friday....weekends. We don't always look at email during the weekends. Call the office number and it will direct you to the clubhouse, if we are not in the office to get your call.

**EMAIL OR PHONE...THOSE ARE THE TWO WAYS TO MAKE RESERVATIONS. DO NOT CALL THE CLUBHOUSE TO MAKE RESERVATIONS (UNLESS IT IS ON THE WEEKEND)**

**REMEMBER!!!**

**There is a 48 hour cancellation policy.**

**We can not take more than 4 people in a party NO EXCEPTIONS!!**

**The guide fee is \$50 per group, not per person. 1 to 4 hunters.**

**Hunts start at 8 and run until 11am or from 1 to 4pm.**

## **TWO FOR THE ROAD**

A man crosses the road from a hospital and enters a bar and immediately asks for three treble whiskeys and a beer. The barman pours the drinks and the man swallows each whiskey in one swallow.

The barman is alarmed by this and expresses his concern only for the man to reply, "IF YOU HAD WHAT I HAVE THEN YOU WOULD BE KNOCKING THE DRINKS BACK TOO!"

The barman places the beer on the counter and watches the man chug down the brew and asks sympathetically, "what have you got?"

The man places the empty glass down and replies "an empty wallet."

++++++

A man jumps from a plane and as he descends pulls his parachute only nothing happens so he pulls his reserve and still no luck so as he contemplates flapping his arms like a bird when he spies a man coming up towards him.

Calling out to the man "DO YOU KNOW ANYTHING ABOUT PARACHUTES?"

The other man replies "NO! DO YOU KNOW ANYTHING ABOUT GAS COOKERS?"
