RMR E-News February 2, 2016

Hello RMR Faithful!

We dodged the proverbial bullet this weekend. We had AWESOME weather for the 14th Annual Sportsmen for Community Shootout and we were able to raise \$30,000 again for the 3 charities. Sunday there was a bit of snow for the hunts but it was perfect hunting weather. Sunday night we got the snow they were predicting. **It is sunny now and we will dig out and start hunting on Friday, Feb 5.** This is the most snow we have had for many years, and the water will be great. The cover is good and we didn't have wind until today, so that is good thing! It is a fluffy snow and will melt quickly, since the forecast is for nice weather for the next 10 days. I LOVE COLORADO! Weather comes and goes and it never stays crappy very long.

We have 60 days or so to hunt. We are targeting March 31 as our last day to hunt, but depending on weather and how the birds hold out, we might be able to hunt a bit longer. Don't count on that to use your hunts that are included in your membership. (If you are a MAY RENEWAL, you need to use your hunts by the end of March since they don't carry over to the next season)

RMR MEMBER NEWS

RMR Manager, Bill Lieb, has another need of prayer. His mother, Selma, had surgery yesterday to remove a mass in her colon. While they were in there they took several other pieces and parts of other organs and some of it was cancerous. We have had her in our thoughts and prayers for more than a year as she has been taking care of Bill's Dad, Bill Senior after his fall and now in an extended care facility. Selma has the heart of a saint and is now

struggling with health issues of her own. The entire Lieb Family needs our prayers.

Do you know anyone that would like to get the RMR E-News on a regular basis? You will get more of the witty and informative notes now that the season is starting. We will keep you up to date on things at the club and industry related around the state and country.

PEPSI Jeff Gordon Prank

Most of us have seen the prank where race car driver Jeff Gordon test drives a car and the salesman didn't know it was him and it was a big laugh and a Pepsi commercial. Funny. Apparently a journalist didn't believe it was a real prank. They got him! Take a look

HOW TO MAKE RESERVATIONS

Here are the rules for you to make a reservation. Remember that we have a 48 hour cancellation policy. IF weather is so bad that it is unsafe to get to the club, we will cancel the hunt and will call you. We do not want to endanger anyone, but we hunt in all sorts of weather.

If you call the office to make reservations, please speak slowly and leave your phone number....believe it or not we have more than one John or Jim as members!

The only number you call to make reservations is the office--719-635-3257. If it is after hours during the week, leave a message and we will call you the next business day. (Don't call the clubhouse to make reservations....please!) You can call the office Monday - Friday, 8am-5pm and make reservations by

phone at 719-635-3257.

You can also make reservations by email. [Email hunt@rmroosters.com](mailto:Email_hunt@rmroosters.com)

When you email a reservation, we will reply to you to confirm the reservation. You need to tell us how many hunters are in your group, if you will need a guide (are you hunting with your own dog or not) and what birds you want to shoot....Pheasants or Chukar or BOTH. A mixed bag is lots of fun and you don't have to care about what gets up to shoot at.

Do not email hunting reservations after 5pm on Friday....weekends. We don't always look at email during the weekends. Call the office number and it will direct you to the clubhouse, if we are not in the office to get your call.

EMAIL OR PHONE...THOSE ARE THE TWO WAYS TO MAKE RESERVATIONS. DO NOT CALL THE CLUBHOUSE TO MAKE RESERVATIONS (UNLESS IT IS ON THE WEEKEND)

REMEMBER!!!

There is a 48 hour cancellation policy.

We can not take more than 4 people in a party NO EXCEPTIONS!!

The guide fee is \$50 per group, not per person. 1 to 4 hunters.

Hunts start at 8 and run until 11am or from 1 to 4pm.

CANCELLATIONS OR RESERVATIONS AFTER HOURS OR ON THE WEEKENDS--

Don't leave messages on the office recorder after 5pm on Friday for reservations or cancellations. We won't get them until Monday. Do not email on weekends either. If you have a cancellation, you must call so we are 100% sure we get the message that you can't make your hunt. Don't email or text (we don't do texts)

TWO FOR THE ROAD

A distinguished young woman on a flight from Switzerland asked the priest beside her, "Father, may I ask a favour?"

"Of course. What may I do for you?"

"Well, I bought an expensive electronic hair dryer that is well over the customs limits and I'm afraid they'll confiscate it. Is there anyway you could carry it through

Customs for me? Under your robes perhaps?"

"I would love to help you, dear, but I must warn you: I will not lie."

"With your honest face, Father, no one will question you."

When they got to Customs, she let the priest go ahead of her. The official asked, "Father, do you have anything to declare?"

"From the top of my head down to my waist, I have nothing to declare."

The official thought this answer strange, so asked, "And what do you have to declare from your waist to the floor?"

"I have a marvelous little instrument designed to be used on a woman, but which is, to date, unused."

Roaring with laughter, the official said, "Go ahead, Father. Next!"

++++++

Three men awaited execution by firing squad in the condemned cell, from which the site of their forthcoming ordeal could be clearly seen. The first, an Englishman, was taken out and stood against the wall. As the firing squad raised their rifles, he suddenly shouted "Avalanche!" at the top of his voice. The soldiers looked about in alarm, threw down their rifles and turned to run.

Taking advantage of the momentary chaos, the Englishman scuttled away as fast as his legs would carry him and escaped.

The second condemned man, a Scot, seeing the success of this ploy, when his turn came shouted "Flood!", with exactly the same highly successful effect, and off he scampered.

The third man, an Canadian impressed by the initiative of his colleagues, was determined to follow suit. As the rifles were raised and fingers curled around the triggers, he shouted "Fire!"

Good Luck Broncos!!
