RMR E-News July 8, 2016

Hello RMR Faithful!

We lost a great friend and long time member this week. Harley Morey lost his last battle with cancer on July 7th....I say last because he has beaten this horrible disease several times before and he was a true fighter. This last time was a quick fight, but we know that he is in heaven now, with his best hunting buddy Hank. Please keep his wife and son in your prayers.

RMR manager, Bill Lieb's father is in the final days of his life now, too. He has been in hospice at Penrose Hospital. Bill thanks all of you for the calls and prayers.

This is a quick newsletter -- I am in Argentina shooting Doves and Pigeons with my nephew Logan, and checking out a new lodge for UNLIMITED Pigeon shooting. (It is awesome, by the way!!) We will be putting some combo trips together for our RMR family in March and April, so get a kitchen pass and plan on coming with us next spring!

Do you know anyone that would like to get the RMR E-News on a regular basis? You will get more of the witty and informative notes now that the season is starting. We will keep you up to date on things at the club and industry related around the state and country.

If you know of anyone that would like to get our news, send them to the website and have them sign up to get the newsletters. If you are not already getting the E-news, you can go to the website too, or just [Click here to OPT IN](#) for our E-News and stay informed.

INTERMEDIATE PISTOL CLASS SET FOR JULY 17

The next INTERMEDIATE Pistol course of the summer will be on July 17. This class is for the person that is looking for the next level in personal protection with a handgun.

In this class you will learn to safely draw and shoot from a holster, deal with multiple adversaries, shoot moving targets and shoot on the move. You will also learn to deal with gun and ammunition malfunctions and when finished you can expect to shoot at a turning target from the holster in less than 2 seconds!

If you have already taken our BASIC PISTOL COURSE or have your Concealed Carry Permit, you can take this course. This class is only available for students with semi-automatic pistols –no revolvers.

The cost is still only \$225 and you will shoot 300 rounds in 8 hours. If you would like to register for this class and get more information, email us pistol@rmroosters.com

Brett and Scott Axton are the two NRA instructors that teach these classes.

Don't forget that the rifle and pistol ranges are open Tuesday - Saturday and the cost is only \$10 per person per day. You must use our target stands, and you provide your own paper targets....no glass, plastic, washing machines etc....PAPER ONLY!

TWO FOR THE ROAD

It's Black Friday and mall is packed with shoppers and Frank can't find his wife. He goes up to a very attractive woman and says, "Excuse me, can you help me? I cannot see my wife, and I know that she is here in the shopping mall somewhere. Can you just talk to me for a couple of minutes?"

The attractive woman replies, "Why?"

Frank replies, "Because every time I talk to a beautiful woman, my wife materializes out of thin

air."

"Poor Old fool," thought the gentleman as he watched an old man trying to fish in a puddle of water outside of the bar. He decided to invite the old man inside for a drink. As they sipped their whiskeys, the gentleman thought he'd humor the old man and asked, "So how many have you caught so far?"

The old man replied, "You're the eighth today."
