**JUNE 2--TOMORROW--Bring the kids to Memorial Park in Colorado Springs**

The 2nd Annual Get Outside Colorado event is June 2 and is sponsored in memory of RMR guide and friend Mike Johnson. This is an awesome event to bring your kids and other people's kids to learn about the outdoors.

The Sportsmen for Community will be drawing the winning raffle tickets that day too...see the info below on the raffle. **BUY SOME TICKETS!!** The odds are very very VERY good for you this year.

**YOU ONLY HAVE A FEW HOURS LEFT TO BUY RAFFLE TICKETS ON LINE**

See the info below on the Statewide Deer and Antelope license and the Leica Bino's and the 6.5 Creedmore rifle. The odds are VERY GOOD for these raffles. We draw the winners at 2pm June 2 in Memorial Park. Don't miss out! The online orders shut down at midnight tonight---or you can buy tickets at the event in Memorial Park tomorrow.

**CLAY TARGETS--PISTOL AND RIFLE RANGES**

We are on summer hours, which is Tuesday thru Saturday. So when you

plan on coming out to use the ranges, plan accordingly! Members and their guests are all welcome to shoot targets, sight in your rifles, and / or practice with your handguns on our ranges.

The cost for the pistol and rifle ranges is \$10 per person for the day. It is best to let us know when you want to come out so we can have someone meet you at the clubhouse to give you the target stands and have the non-members sign in. You can only shoot paper targets, so bring them with you-- and a staple gun or duct tape to fix the targets to the stands.

You should throw in your shotgun and get some time on the Freedom and Liberty shotgun ranges. If you have not shot off of these GREAT 5-Stands, you are missing out! Each range is fully automatic and you will need to get a clay card from the office to activate the machines and it will also keep count of your targets. The cost is only \$7 per round of 25 targets.

## **RMR MEMBER NEWS**

### **Mr Sheep---Al Vallejo Passes Away**

So many of you know Al Vallejo...you have either hunted with him or wanted to hunt with him when you draw a sheep license. We were shocked to hear that Al passed away on May 29th from a complete aortic dissection.

Al was the most accomplished sheep guide in Colorado if not the western US. I shot my Bighorn with Al and dozens of RMR members did the same when they drew a tag.

Al hunted at RMR several times a year with his hunting buddies and he was always a fun person to be around.

A GoFundMe account has been set up to help with his funeral expenses. He didn't have any insurance or a plan in place for this. If you feel the calling to help, [CLICK HERE TO HELP THE VALLEJO FAMILY](#)

# HOW TO PREPARE FOR A PUPPY

## TWO FOR THE ROAD

As the bus pulled away, a woman realized she had left her purse under the seat. Later she called the company and was relieved to find out the driver had found it. When she went to pick it up, several off-duty bus drivers greeted her.

One of the men handed over her handbag and a box. "We're required to inventory found wallets and purses," he explained. "I think you'll find everything here."

As she started to put her belongings back into the purse, the man continued, "I hope you don't mind if we watch. Even though we all tried, none of us could fit everything into your purse... and we'd like to see just HOW you do it."

+++++

Unable to attend the funeral after his Uncle Charlie died, a man who lived far away called his brother and told him, "Do something nice for Uncle Charlie and send me the bill."

Later, he got a bill for \$200.00, which he paid. The next month, he got another bill for \$200.00, which he also paid, figuring it was some incidental expense.

But when the \$200.00 bills kept arriving every month, he finally called his brother again to find out what was going on.

"Well," said the other brother, "you said to do something nice for Uncle Charlie. So I rented him a tuxedo."

## **STATEWIDE DEER TAG**

## **STATEWIDE ANTELOPE TAG**

The Mike Johnson Youth Hunting Project will sponsor the Get Outside Colorado event again on June 2nd at Memorial Park in Colorado Springs. As most of you know, Mike Johnson was a guide at Rocky Mountain Roosters for many years and he died suddenly after a successful hip replacement surgery. RMR and his family started this as a way to get youth involved in hunting. Amy Johnson, Mike's widow, is still guiding at the club and says that we will have to bury her to get rid of her and her dogs at the club! We poke fun at this, but we all miss Mike and this event honors his memory and is something that we hope you will attend and support. Watch your RMR E-News for details on the event.

**OH YEAH....we will be drawing the winners of the raffles that Sportsmen for Community and the Colorado Chapter of SCI are holding on that special day.**

**You could win one or both of these licenses AND a 6.5 Creedmore rifle and a pair of Leica Rangfinding Binos....**
