## RMR E-News March 4, 2016

**Hello RMR Faithful!**

This will be a quick note to all of our awesome members...

**The hunting has been off the charts GREAT!! FYI--we have a big corporate event on March 10 & 11 so the club is booked solid for those two days, so plan around those two days when making reservations.**

The national weather service is predicting a wet March thru May. That is great for us and our water for the spring and planting, and it will be nice for our end of season hunting.

If we get a blizzard at the end of March, and you have been waiting to use your hunts, you might end up losing them...so don't wait! Book your hunts now and enjoy the beautiful weather! We still plan on ending the season at the end of March. (Remember Easter is March 27th and we are closed that Sunday so our staff can be with their families celebrating our Risen Lord)

**Thank you for a fabulous season...the cover is nothing short of amazing, isn't it? Still holding up well and even with the heavy February snows, it is perfect for the dogs and birds! We look forward to a great March!**

**TIME IS RUNNING SHORT!!!** If you want to apply for ELK, DEER, or ANTELOPE in NM...see the info below. If you are by yourself, no big deal! We have a lot of RMR folks that are solo and we put you all together so we apply together and drive together. **DON'T PUT IT OFF!!** The biggest Bulls

you will ever see are in NM!! The hunt is very reasonable too! Roger and Audrey do it RIGHT! If you have questions, call me next week 719-635-3257 Brett

## **RMR Bumper Sticker in Islamabad, Pakistan**

John Sedlak  
sent this to his  
son who works

there and he says it is a great conversation starter!

Send us your pictures of RMR bumper stickers --we are compiling a contest for this summer to win some hunts and clay shooting. Kind of like, ["Where's Waldo"...](#)instead it will be ["Where's RMR??"](#)

## **RMR MEMBER NEWS**

RMR manager Bill Lieb's mother is back in the hospital with some heart problems. Please keep Selma in your prayers.

**[Do you know anyone that would like to get the RMR E-News on a regular basis?](#) You will get more of the witty and informative notes now that the season is starting. We will keep you up to date on things at the club and industry related around the state and country.**

If you know of anyone that would like to get our news, send them to the website and have them sign up to get the newsletters. If you are not already getting the E-news, you can go to the website too, or just [Click here to OPT IN](#) for our E-News and stay informed.

What a great end of the day picture! Send us your RMR pictures!

**IT IS OVER...at 11:59pm**

**The clock is ticking, but you can still get in on the raffle until 11:59pm tonight. (I can't wait to see a lot of you at the dinner March 5th)**

**[scicolorado.org](http://scicolorado.org)**

**YOU DO NOT HAVE TO BE PRESENT TO WIN!!**

**Win the Statewide Moose or Deer Tag  
A 6 Gun Safe Combo Package  
donated by RMR member Kent Stevinson  
Leica Binos with built-in Rangefinder  
Kimber Montana 30-06**

**DO YOU WANT TO ELK,  
DEER, OR ANTELOPE HUNT  
IN NM??**

The time is fast approaching to apply for tags in New Mexico...don't wait until it is too late. (The last Day is March 14)

If you want to hunt big bulls and bucks, Roger and Audrey McQueen own Trophy Ridge Outfitters and is the only RMR Endorsed outfitter in NM. (They are expecting twins in May...congrats, again!!)

There are no preference points in New Mexico so it is luck of the draw, but you have a higher success with an outfitter than by yourself.

You can call them and talk to them or email them

## HOW TO PICK OLIVES

**This is wild and ingenious  
at the same time!**

**(Can you imagine if it grabbed you**

by the waist??!!)

## HOW TO MAKE RESERVATIONS

Here are the rules for you to make a reservation. Remember that we have a 48 hour cancellation policy. IF weather is so bad that it is unsafe to get to the club, we will cancel the hunt and will call you. We do not want to endanger anyone, but we hunt in all sorts of weather.

If you call the office to make reservations, please speak slowly and leave your phone number....believe it or not we have more than one John or Jim as members!

The only number you call to make reservations is the office--719-635-3257. If it is after hours during the week, leave a message and we will call you the next business day. (Don't call the clubhouse to make reservations....please!) You can call the office Monday - Friday, 8am-5pm and make reservations by phone at 719-635-3257.

You can also make reservations by email. [Email hunt@rmroosters.com](mailto:hunt@rmroosters.com)

When you email a reservation, we will reply to you to confirm the reservation. You need to tell us how many hunters are in your group, if you will need a guide (are you hunting with your own dog or not) and what birds you want to shoot....Pheasants or Chukar or BOTH. A mixed bag is lots of fun and you don't have to care about what gets up to shoot at.

Do not email hunting reservations after 5pm on Friday....weekends. We don't always look at email during the weekends. Call the office number and it will direct you to the clubhouse, if we are not in the office to get your call.

**EMAIL OR PHONE...THOSE ARE THE TWO WAYS TO MAKE RESERVATIONS. DO NOT CALL THE CLUBHOUSE TO MAKE RESERVATIONS (UNLESS IT IS ON THE WEEKEND)**

**REMEMBER!!!**

There is a 48 hour cancellation policy.

We can not take more than 4 people in a party NO EXCEPTIONS!!

The guide fee is \$50 per group, not per person. 1 to 4 hunters.

Hunts start at 8 and run until 11am or from 1 to 4pm.

**CANCELLATIONS OR RESERVATIONS AFTER HOURS OR ON THE WEEKENDS--** Don't leave messages on the office recorder after 5pm on Friday for reservations or cancellations. We won't get them until Monday. Do not email on weekends either. If you have a cancellation, you must call so we are 100% sure we get the message that you can't make your hunt. Don't email or text (we don't do texts)

## **TWO FOR THE ROAD**

Two avid hunters take a hunter's safety class in which they learn that the universal signal for an emergency is three shots in the air.

Sure enough, on their next hunting trip the two men get lost.

One says to the other, "What shall we do?"

The other says, I know fire three shots in the air and someone may come to find us.

He fires off three shots, and they wait two hours. No sign of help.

What shall we do? Fire off three more shots. So he does. Three hours later there is no response and it is getting dark. The one says "Shall we try again?"

The other says, "I guess not... I only have two arrows left..."

+++++

A married couple rushed to the hospital because the woman was in labor the doctor asked the couple, "I have invented a new machine that you might want to try, it takes some of the labor pains away from the mother and gives it to the father."

So the married couple decided that they would try this.

So the doctor hooked the machine up and put it on 10% of pain switched from the mother to the father and the husband said "I feel okay turn it up a lot more" so the doctor turned it up to 50% and the husband said "why don't you just put it all on me cause I'm not feeling a thing" but the doctor warned them "this much could kill you if your not prepared", and the husband replied "I am ready "so the doctor turned the machine up to 100% but the husband didn't fell a thing so they went home happy with a pain free labor, but when they got home the mailman was dead on the front porch!
