## RMR E-News March 30, 2017

Hello RMR Faithful!

**20 hunts left to use before  
April 2...first come  
first served**

We have had a couple of cancellations and that has opened up a few hunts. If you want to get in a hunt between now and April 2nd...SUNDAY...call us now.

We are supposed to get some snow, which is what we have been waiting for all year, **MOISTURE!**

We aren't hunting past Sunday, so take advantage of the folks that can't make it!

**THANK YOU FOR THE AWESOME SEASON!** It has been the driest and windiest season I think we have ever had, but you gave it your all and we shot a few tons of birds! Now the task is at hand of getting the ground ready for seed and we need to have you pray for rain at the right time and get us out of this stupid drought again!

**PLEASE remember that we will be on SUMMER HOURS starting on Monday April 3. We are closed for all activity on Sunday and Monday through the summer. This includes all shooting and dog activities. If you want to shoot targets or use the rifle and pistol ranges, call for reservations 719-635-3257**

### **RMR MEMBER NEWS**

RMR friend and longtime member Michael Rocereta and I were talking yesterday and he told me that his wife Kayla is battling some illness that is stable, but debilitating. Please ask for the hand of God to help heal her and keep her as pain

free as possible.

Jennifer Quigley came through major back surgery on Monday and is going to be healing for a while. Pray that it worked and she can finally be free from horrible pain.

## **GOBBLE AT BIRTH**

Take a look at this video of baby turkeys at 3 weeks of age –watch how nature tells them what to do–basically from birth!

## **DO YOU CARRY A ROUND IN THE CHAMBER??**

How fast can you get your weapon out and into the fight--with a firearm that has a round chambered vs one without a chambered round.

Watch these emails for the pistol classes that we teach at RMR. We have basic pistol, intermediate and advanced tactical classes (drawing from a holster like the video) And believe me, after our classes you will draw from a holster faster than these ladies do...no question!!

Scott and I hope to see you at one of the classes this summer! Loads of fun and our students love the classes!

## COLORADO STATEWIDE TAGS

### TWO FOR THE ROAD

After we had lunch with another couple, the girls went shopping, and the guys opted to go sailing. Bad decision as a storm blew in while us guys were out on the water.

Making matters worse, the tide had gone out, grounding the boat. We had to climb overboard and shove it back into deep water.

As my friend stood there, ankles deep in muck, muscles straining against the weight of the

boat, and rain pelting his face, he grinned broadly and with unmistakable sincerity said, "Sure beats shopping!"

My wife and I were having a very hypothetical discussion... In the unlikely event that Hollywood made a movie based on our lives, we wondered what stars would play us.

"Who would you pick to portray you?" she asked me.

I thought about it for a minute, then answered, "George Clooney."

"In that case," she said, "I'll play myself."

**-E.B.**

Take advantage of the fantastic clay target shooting and the pistol and rifle ranges at your club. The rifle range has targets out to 300 yards and the pistol range is set up across from the club house and you can shoot out to 45 yards.

The cost for the rifle and pistol ranges is only \$10 per person per day. I KNOW....a GREAT price!!

The clay target ranges are \$7 per round of 25 targets.
