RMR MEMBER NEWS

It is with a heavy heart that I have to pass along this horrible information.

Austin Worbington died in a drowning accident yesterday, May 11. Austin is the 20 year old son of Doyle and Jamie Worbington--the owners of J&D Outfitters and one of our Elk outfitters, great friends and part of the RMR family. He had just finished his freshman year at Mesa College in Grand Junction and was out with some other athletes (Austin was the QB for their football team) at a place called the Pot Holes and at one point dove in the water and didn't surface. He died at the hospital after being airlifted there.

So many of you know Doyle and the family and I will let you know details of the funeral and other related things as they are available.

If you would like to send a card or note:

Doyle and Jamie Worbington

7540 N Peyton Hwy

Peyton, CO 80831

Prayers for the family.

WHO IS COMING TO THE MOVIE??

People keep asking me which theater we are going to and we decided this morning that we are going to go to the First and Main Town Center Theater (Cinemark) on South Carefree and Powers in Colorado Springs, but there are hundreds of theaters that are showing this movie on May 19. If you are in Colorado Springs, come see the show with us here!

RECAP OF WHAT WE ARE TALKING ABOUT: One of my friends and RMR member, John Eldredge, (Author of 'Wild at Heart' among other best sellers) has a new film that will be debuted on May 19th at select theaters around the country. (Thus the motorcycles in the headline...)Take a look at the trailer and make plans to meet us and watch this AWESOME Film! There are a dozen theaters in Colorado showing this film on the 19th...FYI. You can check out the places to view it on this site too.

FIRST PISTOL CLASS OF THE SUMMER

We have been watching the weather and we are going to give this a try! The first Basic Pistol course of the summer will be on May 15. This class is for the person that is looking to learn about safety and when finished, you can apply for your concealed carry permit. The class is 8 hours and starts at 8am and runs until 4pm (or so!) If you would like more information or to register, email pistol@rmroosters.com and we will send you what you need. The cost is still only \$90

Brett and Scott Axton are the two NRA instructors that teach these classes. We plan on holding the Intermediate and Advanced classes several times this summer, too.

The rifle and pistol ranges are open Tuesday - Saturday and the cost is only \$10 per person per day. You must use our target stands, and you provide your own paper targets.....no glass, plastic, washing machines etc....PAPER ONLY!

TWO FOR THE ROAD

My four year old daughter had a terrible case of the flu. She was achy, had a high fever, and was terribly hoarse. After waiting in the waiting room at the doctor's office for over an hour we were finally admitted to see the Doctor.

After the usual routine of listening to her breathing and checking her ears, the Doctor asked my daughter, "So what would you say is bothering you the most?"

After a brief pause, my daughter replies, "My little brother Steven, he always breaks my toys."

+++++

One evening, a family sat down for dinner. The mother served fish and cauliflower. They were all eating, until the boy, chewing on his fish, found a bone.

He pulled it out of his mouth and asked, "Mom, what do I do with this?"

"Put it where you're sure you won't eat it," said his mother.

So the boy carefully stuck it into his cauliflower.
