## RMR E-News May 15, 2018

Hello RMR Faithful!

The dirt is turned and we are ready for some rain so we can put the seed in the ground. We have had a sprinkle here and there, but nothing substantial. This is pretty normal for Colorado, actually. We are going to be trying some new planting ideas, so get ready for some new cover and areas!!

The 2nd Annual Get Outside Colorado event is June 2 and is sponsored in memory of RMR guide and friend Mike Johnson. This is an awesome event to bring your kids and other people's kids to learn about the outdoors.

The Sportsmen for Community will be drawing the winning raffle tickets that day too...see the info below on the raffle. **BUY SOME TICKETS!!** The odds are very very VERY good for you this year.

### **MAY RENEWAL FOLKS GET TWO FREE HUNTS**

If you are a May renewal member, you have until June 1 to get your check and application back to us if you want to get the **2-FREE HUNTS**. **Don't lose your extra hunts!!**

### **DID ANYONE DRAW A SHEEP OR GOAT TAG??**

Let us know!

### **CLAY TARGETS--PISTOL AND RIFLE RANGES**

We are on summer hours, which is Tuesday thru Saturday. So when you plan on coming out to use the ranges, plan accordingly! Members and their

guests are all welcome to shoot targets, sight in your rifles, and / or practice with your handguns on our ranges.

The cost for the pistol and rifle ranges is \$10 per person for the day. It is best to let us know when you want to come out so we can have someone meet you at the clubhouse to give you the target stands and have the non-members sign in. You can only shoot paper targets, so bring them with you-- and a staple gun or duct tape to fix the targets to the stands.

You should throw in your shotgun and get some time on the Freedom and Liberty shotgun ranges. If you have not shot off of these GREAT 5-Stands, you are missing out! Each range is fully automatic and you will need to get a clay card from the office to activate the machines and it will also keep count of your targets. The cost is only \$7 per round of 25 targets.

## **RMR MEMBER NEWS**

### **Update on Chuck Shellhouse**

Brett-- I just got back from my weekly Chemo treatment (5th so far). Hard to believe but this coming Friday I will have completed 5 weeks of daily radiation and once/week of Chemo treatments.

I am staying strong through my Faith, Family & Friends, but still have a long way to go. After all the treatments, I still am facing therapy for speaking, eating, and my swollen neck (where the lymph nodes used to be). Plus, I have lost weight & strength, so need to get that built back up as well.

Thanks for all of the RMR support and prayers!

God Bless! Chuck

Keep after it Chuck! We are praying for you for sure!!

## **WHAT DO DO WHEN YOU GET PULLED OVER AND YOU HAVE A GUN IN THE CAR**

RMR teaches several handgun classes...from the Basic Class that allows you to get your concealed carry permit to the Intermediate and Advanced classes that teaches you draw and shoot from a holster and various tactical move-and-shoot scenarios.

We will be deciding on the class dates soon and will email them to you all. We have some women only classes on tap, so think about those for the women in your life.

One of the questions that we get asked most often is what to do when you are pulled over by the police and you have a handgun or rifle in the car...concealed or not. Here is

the answer—a video message and a written one, too!

## DO YOU KNOW WHY I PULLED YOU OVER????

### TWO FOR THE ROAD

Due to a job transfer, Brian moved from his hometown to New York City. Being that he had a very comprehensive health history, he brought along all of his medical paperwork when it came time for his first check up with his new doctor. The doctor kept glancing at Brian as he reviewed the medical paperwork.

After browsing through the extensive medical history, the doctor stared at Brian for a few moments and said, " Well there's one thing I can say for certain, you sure look better in person than you do on paper!"

#### The Church Gossip

Mildred, the church gossip, and self-appointed monitor of the church's morals, kept sticking her nose into other people's business.

Several members did not approve of her extra-curricular activities, but feared her enough to maintain their silence.

She made a mistake, however, when she accused Frank, a new member, of being an alcoholic after she saw his old pickup parked in front of the town's only bar one afternoon.

She emphatically told Frank (and several others) that everyone seeing it there would know what he was doing!

Frank, a man of few words, stared at her for a moment, just turned and walked away. He didn't explain, defend, or deny. He said nothing.

Later that evening, Frank quietly parked his pickup in front of Mildred's house .. walked home... And left it there all night.  
(You gotta love Frank!)

**STATEWIDE DEER TAG**

## **STATEWIDE** **ANTELOPE TAG**

The Mike Johnson Youth Hunting Project will sponsor the Get Outside Colorado event again on June 2nd at Memorial Park in Colorado Springs. As most of you know, Mike Johnson was a guide at Rocky Mountain Roosters for many years and he died suddenly after a successful hip replacement surgery. RMR and his family started this as a way to get youth involved in hunting. Amy Johnson, Mike's widow, is still guiding at the club and says that we will have to bury her to get rid of her and her dogs at the club! We poke fun at this, but we all miss Mike and this event honors his memory and is something that we hope you will attend and support. Watch your RMR E-News for details on the event.

**OH YEAH...we will be drawing the winners of the raffles that Sportsmen for Community and the Colorado Chapter of SCI are holding on that special day.**

**You could win one or both of these licenses AND a 6.5 Creedmore rifle and a pair of Leica Rangfinding Binos....**
