RMR E-News November 15, 2016

Hello RMR Faithful!

I love this time of year. The snow is so fluffy....wait a minute. Scratch that. I love this time of year when the cool days...nope, not that either! It has been warm and dry, BUT we are still shooting a lot of birds at your club! I can tell you that when we get some snow it is going to be a 'shootzenfest' for sure! Seriously, I do like the holiday season, for many reasons, but in our business we get to see friends and family that are able to come and hunt with us while they are visiting or vacationing in Colorado. We are a BIG family at RMR, as you know!

I took a drive around the property last Sunday, and in about an hour I saw more than 50 pheasants....mostly roosters, too! With the dry conditions, just plan on taking your hunt MUCH MUCH slower than you normally would. Don't walk by birds! (We do that anyway, but it is easier to do when it is dry and dusty)

We have time available for you and your families and friends over the Thanksgiving weekend. Take a look at your calendar and give us a call or drop us an email to make reservations. hunt@rmroosters.com

Look at your calendar for the Christmas / New Years weeks, too!

RMR MEMBER NEWS

Have you ever thought about using a hand without a thumb? Well, Ken Medlin didn't have to think about it, he is living it! He cut his thumb off with a circular saw and God saved his thumb by having one of hand surgeons in the hospital when he arrive less than 20 minutes after cutting it off! He is SO LUCKY and we are keeping him in our prayers for sure! Safety first for all power tools--and guns!

Fred Veitch is having his annual surgery...seems like it anyway—maybe he likes the hospital food?? He is having back surgery to fuse L1-3. Prayers for him and the chef and his poor wife Linda who has to put up with him when he gets home.

**Do you know anyone that would like to get the
RMR E-News on a regular basis?**

You will get more of the witty and informative notes now that the season is starting. We will keep you up to date on things at the club and industry related around the state and country.

If you know of anyone that would like to get our news, send them to the website and have them sign up to get the newsletters. If you are not already getting the E-news, you can go to the website too, or just

[Click here to OPT IN](#) for our E-News and stay informed.

**RMR MEMBER NEEDS TO
MAKE A MILLION AND CAN'T
GO ELK HUNTING
HERE IS THE OPPORTUNITY OF
THE YEAR!**

One of RMR members had to cancel his hunt for Elk this coming weekend—the second one of the year, not the same one—he has a business deal that will make him a crapton of money and he said he can always go elk hunting! Anyway, there is one hunt available for these trophy bulls. For those who tried last week to get the cancellation hunt, here is another one! A great Christmas gift for yourself!

Trophy Ridge Outfitters...the RMR New Mexico Outfitter...has a cancellation for a muzzleloader Elk hunt Nov 19-23. BIG BULLS! You don't need a muzzleloader...Audrey has one that will shoot to 300 yards that you can use.

They have killed 23 for 26 bulls during the muzzle season so far. Normal price is \$11,500...it is yours COMPLETE WITH THE LANDOWNER TAG for \$6500. This is a one on one hunt...staying in a beautiful lodge and great guides and food!

Take Advantage of this awesome hunt! (I wish I could make the time...if I could, you wouldn't be reading about it...I would be going!)

Call Audrey McQueen with [Trophy Ridge Outfitters](#) NOW—first come gets it.

(505) 350-6487

**HOW TO MAKE RESERVATIONS
TO HUNT AT YOUR CLUB**

Here are the rules for you to make a reservation. Remember that we have a 48 hour cancellation policy. IF weather is so bad that it is unsafe to get to the club, we will cancel the hunt and will call you. We do not want to endanger anyone, but we hunt in all sorts of weather.

If you call the office to make reservations, please speak slowly and leave your phone number....believe it or not we have more than one John or Jim as members!

The only number you call to make reservations is the office--719-635-3257. If it is after hours during the week, leave a message and we will call you the next business day. (Don't call the clubhouse to make reservations....please!)

You can call the office Monday - Friday, 8am-5pm and make reservations by phone at 719-635-3257.

You can also make reservations by email. Email hunt@rmroosters.com

When you email a reservation, we will reply to you to confirm the reservation. You need to tell us how many hunters are in your group, if you will need a guide (are you hunting with your own dog or not) and what birds you want to shoot....Pheasants or Chukar or BOTH. A mixed bag is lots of fun and you don't have to care about what gets up to shoot at.

Do not email hunting reservations after 5pm on Friday...weekends. We don't always look at email during the weekends. Call the office number and it will direct you to the clubhouse, if we are not in the office to get your call.

EMAIL OR PHONE...THOSE ARE THE TWO WAYS TO MAKE RESERVATIONS. DO NOT CALL THE CLUBHOUSE TO MAKE RESERVATIONS (UNLESS IT IS ON THE WEEKEND) REMEMBER!!!

There is a 48 hour cancellation policy.

We can not take more than 4 people in a party NO EXCEPTIONS!!

The guide fee is \$50 per group, not per person. 1 to 4 hunters.

Hunts start at 8 and run until 11am or from 1 to 4pm.

CANCELLATIONS OR RESERVATIONS AFTER HOURS OR ON THE WEEKENDS--

Don't leave messages on the office recorder after 5pm on Friday for reservations or cancellations. We won't get them until Monday. Do not email on weekends either. If you have a cancellation, you must call so we are 100% sure we get the message that you can't make your hunt. Don't email or text (we don't do texts)

MAKE A MEDICAL PLAN

In order to prepare for emergencies of any kind, it's critical to be able to sustain health - this includes having adequate prescription and OTC meds, but it requires more planning for best results. This piece is from READY.GOV

Even if you do not use a computer, put important information onto a flash drive or mobile device for easy transport in the event of an evacuation. Have your medical professionals update it every time they make changes in your treatment or care. [READ MORE....](#)

TWO FOR THE ROAD

A police officer arrives at the scene of an accident, in which a car smashed into a tree.

The cop rushes over to the vehicle and asks the driver, "Are you seriously hurt?"

"How should I know?" the man answers, "I'm not a lawyer!"

++++++

Patient 1: "Why did you run away from the operation table?"

Patient 2: "The nurse was repeatedly saying 'don't get nervous', 'don't be afraid', 'be strong', 'this is a small operation only', things like that."

Patient 1: "So what was wrong in that? Why were you so afraid?"

Patient 2: "She was talking to the surgeon!"

SO HAPPY IT IS OVER

I think most of us---ALL OF US--- are glad the election is over. Whether your candidate won or lost, we need to support our elected leaders.

The Thursday after the election we had a group called Colorado Concern join us at RMR for a meeting and some fellowship. Two of the folks were Colorado Senators Cory Gardner and Michael Bennett. They both are very nice men and are conservationists and 2nd Amendment advocates. (Note the RED and BLUE shotgun shells....I gave them the shells from the range after I noticed them shooting these colored shells...totally by accident! Pretty funny)

This is the only protesting we should be doing right now....

REMINDER---HIDING AT THE BOTTOM REPEAT INFO FOR ALL OF US!!

It is the start of the year and people are forgetting several things or not reading them...humor us and read this AGAIN.

Everyone is doing a great job, for the most part, but we have to go over this many times each year.

(I love it when someone says they have never seen it in the newsletters....it is in

every week!!)

A couple of things that I need to remind our members and guests of when it comes to hunting at RMR. These 'rules' are nothing new, but this is just a reinforcement for your memory.

MORNING HUNTS START AT 8am
AFTERNOON HUNTS START AT 1pm

--Contact us for reservations and changes. This isn't that hard...don't email us at 11pm and think we will see your note for a hunt the next morning. We have a 48 hour cancellation policy. If you need to make a change for the hunt after 5pm, call the office--and IF we are there, we will answer...if not it will give you the clubhouse number (719-347-2205) and tell you to call and leave a message. We try to adjust for you but if it is a last minute change, it probably won't happen. If you schedule a guide, you will have one. If you need a guide, tell us when you are making the reservation. Please realize that we don't work 24 hours a day and we need you to plan ahead. Don't leave a message on the office phone after hours unless it is to make a reservation for another day. If you email us, we will respond but only during the week days. It has worked well for 30 years, and just because there are I-Phones and apps out there that will cook your dinner and make airline reservations, we still have to have some human interaction!

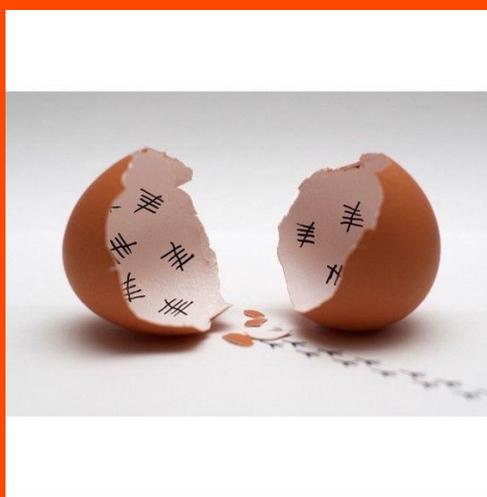

--The cost for a guide is \$50 per group NOT PER PERSON. The guide fee has been in effect for over a year. This isn't new. If you want to bring your dogs and run them with ours, that is great. It is a small charge to help cover our liability insurance.

--The maximum number of hunters (for a guided hunt) is 4. If you have more than 4 that is great, we will just split you into two or groups. This is for safety reasons as well as our liability. Please don't ask us to make an exception because you did it that way before. (WE HAVE TO STICK TO OUR RULES)

--Don't call the clubhouse to make reservations--except weekends. We are in the office weekdays 8-5p. Email during the week is easy and we will respond to you letting you know we got the reservation. Don't email after 5pm on Friday--our office staff doesn't read emails on the weekends. That is when you call 719-635-3257...and if we are not here it will direct you to the clubhouse.

--DO NOT CROSS ANY FENCE!! If you cross a fence, that is trespassing and our neighbors are not letting us on their land. EVEN IF YOU ARE GETTING A DOWNED BIRD. This includes your dogs. If you kill a bird and it crosses the fence, it is a lost bird. Go get another one. If you or your dogs cross the fence, you could get a ticket for trespassing. You are warned.

--Please pick up your empty shells. If you can't find yours, pick up some that other people missed. Thanks for trying to keep our areas clean. It is a never ending battle, but give it your best effort.

ANYONE THAT COMPLAINS ABOUT STEPPING ON LEGOS

HAS NEVER STEPPED ON ONE OF THESE!

Holiday Hunting -- Are you ready?

Remember that that days around Thanksgiving and Christmas are a fun time to entertain your family and friends. You should think about making reservations now, so you get the time and dates you want to

hunt.

**We are closed Thanksgiving and Christmas Day.
(We hunt only in the morning on Christmas Eve)**
