## RMR E-News October 9, 2015

**Hello RMR Faithful!**

**What a beautiful start to the fall!** On Monday we were blessed with a rain shower that knocked down the dust and gave us some much needed moisture for the birds and the dogs. I don't know how the weather will play out this year, but my gut feeling is that we will have a wetter than normal winter/season.

Having said that, I think you should plan on getting some hunts in early. We are hunting in the afternoon now and it has been a great start to the season. Remember to keep your dogs hydrated and keep a bottle of water in your vest so **YOU STAY HYDRATED, TOO!**

### **GREAT NEWS!!**

**Dawn and Jenny will be cooking on weekends starting October 10. Please support these great ladies and eat with us on Saturday and Sunday. Homemade vittles are the BEST!! They work hard to make your stomach happy! Lunch is only \$7 They serve from 11-1pm weekends.**

**[A MOMENT OF TRUTH](#)**... click to watch a perfect short story for all of our men and women who have worn the uniform or are wearing it now. We appreciate your service, and your support!

**We Need Your Help:** We are taking soldiers hunting EVERY WEEKEND now and many days a week. If you would like to help us continue to provide this program to our active duty enlisted men and women, let us know. The MILITARY HUNTING

BANK is a program we started in 2004. RMR and our members donate hunts and we put them into the "Bank" and we take active duty enlisted soldiers hunting once a year. We need your continued support to keep this program alive. You can help by donating a hunt or two, and that is awesome. We can also use members who want to run their dogs for these soldiers and take these fine men and women hunting for 3 hours. If you want to come and run your dogs for the military hunts, let us know. Email us at [hunt@rmroosters.com](mailto:hunt@rmroosters.com) and we will get back with you with details.

### **RMR MEMBER NEWS**

Many of you have asked how RMR Manager Bill Lieb is doing 2 plus months post heart attack. He is in therapy and doing well. He is just doing what the doctor is telling him, and he is progressing. He hopes to get back in the field this season. Drop him a note: [bill@rmroosters.com](mailto:bill@rmroosters.com) He would enjoy that. (His Dad was moved to another care facility a couple of weeks ago and he seems to like this one better. Keep Selma and Bill Sr in your prayers. They have a tough road ahead)

[Do you know anyone that would like to get the RMR E-News on a regular basis?](#)

**[DO YOU KNOW THESE](#)**

**[THINGS??!!](#)**

**The western US had quite the end of the summer when it came to fires. When I was driving back from my Stone Sheep hunt in**

BC, many of the roads were closed due to smoke in Washington and Idaho.

Some friends of mine in Arizona sent me a very interesting video about how they saved 600,000 trout from the fires. We think of saving homes and people, but I never thought about fish!

## SAVE \$50 on Your Goose Hunting

Travis Reiningger and the gang from **STILLWATER OUTFITTERS** are ready to start whacking the geese and ducks for the 2015-16 season.

Travis is still giving the RMR folks a great discount for the hunts again this year....but you must make a reservation to hunt before October 31st to get the discount. His price for the waterfowl hunts is \$250, but RMR folks will save \$50 per gun if you book a date between now and the end of the season, which is February 14, 2016.

You don't have to hunt before the 31st of October to get the discount, but you do have to make a reservation to hunt.

CALL TRAVIS AT 303-659-8665 and tell him you are with RMR to get the \$50 per gun discount. DON'T WAIT and miss out on the RMR deal!! You can see his website at [www.stillwateroutfitters.net](http://www.stillwateroutfitters.net) and he is also under our affiliates on the Rocky Mountain Roosters home page.

If you are a single hunter or don't have a group, Travis is putting singles or pairs together so you can still hunt without trying to find people to fill the slots. The dates

that he is putting singles and pairs together to fill a pit are:

November 29   December 8  
January 6   January 19

**MAKING RESERVATIONS TO HUNT**

We are running and gunning at RMR and making a reservation to hunt is EASY. Pay attention and lets go shoot some birds!

The only number you call to make reservations is the office--719-635-3257. If it is after hours during the week, leave a message and we will call you the next business day. (Don't call the clubhouse to make reservations....please!)

You can call the office Monday - Friday, 8am-5pm and make reservations by phone at 719-635-3257.

You can also make reservations by email. [Email\\_hunt@rmroosters.com](mailto:Email_hunt@rmroosters.com)

When you email a reservation, we will reply to you to confirm the reservation. You need to tell us how many hunters are in your group, if you will need a guide (are you hunting with your own dog or not) and what birds you want to shoot....Pheasants or Chukar or BOTH. A mixed bag is lots of fun and you don't have to care about what gets up to shoot at.

Do not email hunting reservations after 5pm on Friday....weekends. We don't always look at email during the weekends. Call the office number and it will direct you to the clubhouse, if we are not in the office to get your call.

**EMAIL OR PHONE...THOSE ARE THE TWO WAYS TO MAKE RESERVATIONS. DO NOT CALL THE CLUBHOUSE TO MAKE RESERVATIONS (UNLESS IT IS ON THE WEEKEND)**

## **REMEMBER!!!**

There is a 48 hour cancellation policy.

We can not take more than 4 people in a party **NO EXCEPTIONS!!**

The guide fee is \$50 per group, not per person. 1 to 4 hunters.

Hunts start at 8 and run until 11am or from 1 to 4pm.

### **WHICH ONE OF THESE ARE YOU?**

This is a short video that will make you laugh and

think....

"I know someone JUST LIKE THIS!!" Don't drink milk while watching this ...it might come out your nose!

## YOU OWE IT TO YOURSELF

If you have not had the chance to read the book, **LONE SURVIVOR** -- **GET IT AND READ IT!** The movie is good, but this live speech is humbling and something I want you to see. I hope that you will take the time to watch this speech by Marcus Luttrell. God was with him and it is absolutely amazing that he is alive to tell the story. This is **HEART** and **SOUL** of our warriors. Please watch this and take the time to support our soldiers, airmen, sailors and marines.

If you want us to save one or more of these hunts, you can email us and we will put you on the list. You do not have to pick the date of the hunt, just let us

know you want to have one or two.....they go quick, so don't wait to save some!

Cost of the GIANT QUAIL HUNT is \$950 and there are only 4 hunts LEFT for this fall. Quail hunts take place between September 15 and December 15 ONLY. Non-member cost of the Giant Quail hunt is \$1250.

## TWO FOR THE ROAD

Stranger: Catch any fish?

Fisherman: Did I! I took 25 out of this stream this morning.

Stranger: Do you know who I am? I'm the game warden.

Fisherman: Do you know who I am? I'm the biggest liar in the country.

+++++++

Two avid hunters take a hunter's safety class in which they learn that the universal signal for an emergency is three shots in the air.

Sure enough, on their next hunting trip the two men get lost.

One says to the other, "What shall we do?"

The other says, I know fire three shots in the air and someone may come to find us.

He fires off three shots, and they wait two hours. No sign of help.

What shall we do? Fire off three more shots. So he does. Three hours later there is no response and it is getting dark. The one says "Shall we try again?"

The other says, "I guess not... I only have two arrows left..."

**Our two new shooting PYRAMIDS are up and running. The manufacture is sending us the new system so you can keep track of your targets. We will have that up and running in the next couple of weeks.**

**Here is an interesting way to figure out how much light you have left to hunt. Give it a try and let us know how it works for you!**
