RMR E-News October 11, 2016

Hello RMR Faithful!

The season is in full swing and we have started to see some cooler weather, and a hard frost. With the cooler weather and the frost we now are seeing the green cover turning brown and dying and producing plenty of seed for the birds to eat. I love Fall--what a great time of year to enjoy the outdoors and your club!

A couple of things that I need to remind our members and guests of when it comes to hunting at RMR. These 'rules' are nothing new, but this is just a reinforcement for your memory.

—**The maximum number of hunters (for a guided hunt) is 4.** If you have more than 4 that is great, we will just split you into two or groups. This is for safety reasons as well as our liability. Please don't ask us to make an exception because you did it that way before. (WE HAVE TO STICK TO OUR RULES)

—**Don't call the clubhouse** to make reservations--except weekends. We are in the office weekdays 8-5p. Email during the week is easy and we will respond to you letting you know we got the reservation. Don't email after 5pm on Friday--our office staff doesn't read emails on the weekends. That is when you call 719-635-3257...and if we are not here it will direct you to the clubhouse.

—**DO NOT CROSS ANY FENCE!!** If you cross a fence, that is trespassing and our neighbors are not letting us on their land. **EVEN IF YOU ARE GETTING A DOWNED BIRD.** This includes your dogs. If you kill a bird and it crosses the fence, it is a lost bird. Go get another one. If you or your dogs cross the fence, you could get a ticket for trespassing. You are warned.

—**Please pick up your empty shells.** If you can't find yours, pick up some that other people missed. Thanks for trying to keep our areas clean. It is a never ending battle, but give it your best effort.

HOW TO MAKE RESERVATIONS TO HUNT AT YOUR CLUB

Here are the rules for you to make a reservation. Remember that we have a 48 hour cancellation policy. IF weather is so bad that it is unsafe to get to the club, we will cancel the hunt and will call you. We do not want to endanger anyone, but we hunt in all sorts of weather.

If you call the office to make reservations, please speak slowly and leave your phone number....believe it or not we have more than one John or Jim as members!

The only number you call to make reservations is the office--719-635-3257. If it is after hours during the week, leave a message and we will call you the next business day. (Don't call the clubhouse to make reservations....please!)

You can call the office Monday - Friday, 8am-5pm and make reservations by phone at 719-635-3257.

You can also make reservations by email. Email hunt@rmroosters.com

When you email a reservation, we will reply to you to confirm the reservation. You need to tell us how many hunters are in your group, if you will need a guide (are you hunting with your own dog or not) and what birds you want to shoot....Pheasants or Chukar or BOTH. A mixed bag is lots of fun and you don't have to care about what gets up to shoot at.

Do not email hunting reservations after 5pm on Friday....weekends. We don't always

look at email during the weekends. Call the office number and it will direct you to the clubhouse, if we are not in the office to get your call.

EMAIL OR PHONE...THOSE ARE THE TWO WAYS TO MAKE RESERVATIONS. DO NOT CALL THE CLUBHOUSE TO MAKE RESERVATIONS (UNLESS IT IS ON THE WEEKEND) REMEMBER!!!

There is a 48 hour cancellation policy.

We can not take more than 4 people in a party NO EXCEPTIONS!!

The guide fee is \$50 per group, not per person. 1 to 4 hunters.

Hunts start at 8 and run until 11am or from 1 to 4pm.

CANCELLATIONS OR RESERVATIONS AFTER HOURS OR ON THE WEEKENDS--

Don't leave messages on the office recorder after 5pm on Friday for reservations or cancellations. We won't get them until Monday. Do not email on weekends either. If you have a cancellation, you must call so we are 100% sure we get the message that you can't make your hunt. Don't email or text (we don't do texts)

TWO FOR THE ROAD

"Hello, police department? I've lost my cat and..."

"I'm sorry lady, but this is not a police job, you can try calling..."

"But you don't understand, this is a very intelligent cat. He is almost human. He can practically talk."

"Well, in that case ma'am, you'd better hang up. He may be trying to call you right now."

When Mary was pregnant, her five year old, Billy, was utterly amazed and a little bit disbelieving that his sister was growing in his mom's tummy. So one day when the baby was especially active, she asked Billy to place his tiny hands on her tummy to feel the baby kick.

But when he did, the baby was suddenly still. "Oh, Billy, she must have decided to take a nap," shrugged his mother.

"A nap?" Billy marveled. "You mean there's a bed in there too?"
