## RMR E-News October 16, 2015

**Hello RMR Faithful!**

**The hunting is going great at your club!**

It is fun to see members and their guests coming out with their four legged hunting partners and it is AWESOME to see our men and women in uniform hunting with us, too.

We are asking those of you with GIANT QUAIL and CHUKAR hunts to get them on the books. We are getting a lot of you that are making your reservations around the holidays. A note...the day after Thanksgiving is busy, so if you want to hunt that day, get it scheduled now. Any other date is fine, it is just the 'Black Friday' for Hunters that gets more action than the rest of the weekend. (HINT HINT-The Sunday after Thanksgiving is probably the best day of the year to hunt due to all of the leftover birds!!)

**ARE YOU HUNGRY!??**

Our two AWESOME cooks, Dawn and Jenny, are back in the kitchen on weekends. They really enjoy cooking for you and they thank you for your support. Plan on having lunch with us on Saturday and Sunday. Homemade vittles are the BEST!! They work hard to make your stomach happy! Lunch is only \$7 They serve from 11-1pm weekends.

**FUNERAL FOR A FRIEND**

I had the honor of helping perform the funeral service for a friend yesterday who was 100 years old and a veteran of WWII. He was at D-Day and spend the next 2 years mopping up in France and Germany. Adolph Wolf was born in

Germany, came to the USA and was a soldier's soldier until he died. I saw a piece this morning from another soldier about OUR FREEDOM, and I hope it will touch you like it did me.

[World War II Museum](#) Do we deserve their sacrifice?? That is the question.

Thanks to all of you who wear or have worn a uniform!

### **RMR MEMBER NEWS**

RMR Member Barry DeMay is on the mend from colon cancer surgery. He is so tough! Keep Barry in your prayers and lets pray that he can make it out for a few hunts this season. Barry lives in Florida and has been a great RMR supporter for many years!

[Do you know anyone that would like to get the RMR E-News on a regular basis?](#) You will get more of the witty and informative notes now that the season is starting. We will keep you up to date on things at the club and industry related around the state and country.

If you know of anyone that would like to get our news, send them to the website and have them sign up to get the newsletters. If you are not already getting the E-news, you can go to the website too, or just [Click here to OPT IN](#) for our E-News and stay informed.

## **"WE ARE MOVING...."**

**Rocky Mountain Roosters isn't moving, but IF YOU MOVE, please tell us!**

**A note from Scott in the office:**

**Have you moved in the last year? Changed e-mail addresses? Maybe dropped that land line phone number that you never used anyway?**

**Don't forget to keep us informed so we can keep our records up to date!**

**We recently sent out November renewals and got several back. We are also getting ready to do our annual Christmas Calendar mailing and want to be sure we have your current information.**

# MAKING RESERVATIONS TO HUNT

We are running and gunning at RMR and making a reservation to hunt is EASY. Pay attention and lets go shoot some birds!

The only number you call to make reservations is the office--719-635-3257. If it is after hours during the week, leave a message and we will call you the next business day. (Don't call the clubhouse to make reservations....please!)

You can call the office Monday - Friday, 8am-5pm and make reservations by phone at 719-635-3257.

You can also make reservations by email. [Email hunt@rmroosters.com](mailto:hunt@rmroosters.com)

When you email a reservation, we will reply to you to confirm the reservation. You need to tell us how many hunters are in your group, if you will need a guide (are you hunting with your own dog or not) and what birds you want to shoot....Pheasants or Chukar or BOTH. A mixed bag is lots of fun and you don't have to care about what gets up to shoot at.

Do not email hunting reservations after 5pm on Friday....weekends. We don't always look at email during the weekends. Call the office number and it will direct you to the clubhouse, if we are not in the office to get your call.

**EMAIL OR PHONE...THOSE ARE THE TWO WAYS TO MAKE RESERVATIONS. DO NOT CALL THE CLUBHOUSE TO MAKE RESERVATIONS (UNLESS IT IS ON THE WEEKEND)**

## REMEMBER!!!

There is a 48 hour cancellation policy.

We can not take more than 4 people in a party NO EXCEPTIONS!!

The guide fee is \$50 per group, not per person. 1 to 4 hunters.

Hunts start at 8 and run until 11am or from 1 to 4pm.

**YES---YOU CAN EAT ROADKILL**

**Have you ever done this??**

I know that some of the meat is already tenderized, but there really isn't anything wrong with it, right?

**THERE IS ONE SURE WAY TO  
INCREASE DEER POPULATIONS**

**Colorado CPW Has An Answer**

I think we should do this in Yellowstone with their problems, too. Montana hunters have some critters they need help with too, if they intend to have hunt-able populations of deer and elk.

**YOU HAVE 2 WEEKS LEFT TO  
SAVE \$50 on Your Goose Hunting**

**Travis Reininger and the gang from STILLWATER**

**OUTFITTERS are ready to start whacking the geese and ducks for the 2015-16 season.**

Travis is still giving the RMR folks a great discount for the hunts again this year....but you must make a reservation to hunt before October 31st to get the discount. His price for the waterfowl hunts is \$250, but RMR folks will save \$50 per gun if you book a date between now and the end of the season, which is February 14, 2016.

**You don't have to hunt before the 31st of October to get the discount, but you do have to make a reservation to hunt.**

CALL TRAVIS AT 303-659-8665 and tell him you are with RMR to get the \$50 per gun discount. DON'T WAIT and miss out on the RMR deal!! You can see his website at [www.stillwateroutfitters.net](http://www.stillwateroutfitters.net) and he is also under our affiliates on the Rocky Mountain Roosters home page.

**If you are a single hunter or don't have a group, Travis is putting singles or pairs together so you can still hunt without trying to find people to fill the slots. The dates that he is putting singles and pairs together to fill a pit are:**  
**November 29   December 8**  
**January 6   January 19**

TWO FOR THE ROAD

Did you ever wonder why earrings became so popular with men?

A man is at work one day when he notices that his co-worker is wearing an earring. The man knows his co-worker to be a normally conservative fellow, and is curious about his sudden change in "fashion sense."

The man walks up to him and says, "I didn't know you were into earrings."

"Don't make such a big deal, it's only an earring," he replies sheepishly.

His friend falls silent for a few minutes, but then his curiosity prods him to ask, "So, how long have you been wearing one?"

"Ever since my wife found it in my truck." (I always wondered how this trend got started)

I'll bet that this is why some men started wearing women's panties too!

+++++++

Mike, Jack, and Gary go for a hike in the woods.

They are out about an hour enjoying the sights when they come around a sharp bend in the trail and spot a bear just in front of them feeding off some vegetation next to the trail.

The bear lets out a menacing growl when it notices the hikers.

Mike says "jump up and down, make some noise to scare it away".

Jack says "that won't work, we need to play dead".

They both ask Gary "what do we do?"

There is no reply. Turning around they see Gary far down the trail behind them.
