## RMR E-News October 23, 2017

Hello RMR Faithful!

### **RESERVATIONS BY PHONE ONLY OCTOBER 24-29**

The office will be closed for internet reservations from Tuesday October 24th thru Sunday October 29th. Please call **719-635-3257** to make reservations.

(Scott and Brett will be out of the office during that time --Scott has a once in a lifetime elk tag and we will not be near the computer while we chase a huge bull elk ---look for pictures in the next newsletter and on the RMR Face Book page!)

What happened to October? The month has flow by and the members have been taking advantage of the super fall weather at Rocky Mountain Roosters!

The cooler weather has made it nice and the cover is turning brown and the birds have PLENTY to eat!

This is by far the best year we have had as far as the hunting cover goes. For those of you who run long haired dogs, we recommend a field cut ---your groomer will be able to shave them close to avoid some of the cockle burrs in the fur. Each year we spray for the bad weeds, but then your prayers worked and we got lots of rain and in-turn, lots of cover and some burrs. The sand burrs or the 'goat heads' are hard on the dog's feet, but they aren't near as bad as in years past! Once we get a snow, they will not be an issue. Anywhere there is good Pheasant hunting in the western USA, there are burrs--it is just part of the game!

### **DUCKS AND GEESE**

Take a look at your calendar and pick some days to go shoot some waterfowl with Travis and Stillwater Outfitters. See the info below and take advantage of the AWESOME hunting opportunities he has for Geese and Ducks

## **HYDRATE!!!**

You will hear the mantra over and over...don't go fast, keep your dogs hydrated (it helps their ability to smell scents better and it will allow them to hunt longer in the warmer temps---cooler ones too!) and don't over look the grasses and the edges of the crop areas.

**IF YOU HAVE YOUR OWN DOGS** be very careful and cognizant of the heat. Heat stroke and heat exhaustion are a concern during the fall. Bring a 5 gallon jug of water for your dogs and water for you, too!

## **ONE PUPPY LEFT**

If you are looking for a forever friend, RMR guide Rich Reiley has one female English Pointer puppy that is ready to go home now. \$400 for this awesome bloodline of proven hunters and great pets. Give Rich a call and get yourself a perfect pointer pet! 719-332-7247

## **RMR MEMBER NEWS**

Bill Jones is getting some stem cell treatment on his knee and we are praying that it will help the pain. Rehab well, Bill!

It has been a great summer and we are seeing members returning to the club after a few years of getting their kids through college and other expensive things like weddings!

After 32 years of growing the RMR family, it is fun to see these children who we took on their first hunt, bringing their children out for THEIR first hunt! We are so glad that you are a part of the Rocky Mountain Roosters family! Make sure you share your love of the outdoors and the dogs and the birds! The youth are our future, and your friends and co-workers might enjoy the sport as much as you do! Invite them to come and shoot some clay targets and maybe they will want to try a hunt!

## **Do you know anyone that would like to get the RMR E-News on a regular basis?**

You will get more of the witty and informative notes now that the season is starting. We will keep you up to date on things at the club and industry related around the state and country.

If you know of anyone that would like to get our news, send them to the website and have them sign up to get the newsletters. If you are not already getting the E-news, you can go to the website too, or just

## 16th ANNUAL CHARITY HUNT

Save the Date **JANUARY 27, 2018**

**We have moved one week earlier to get away from the Super Bowl (not that we are supporting the NFL currently) and we will be announcing the 3 charities that will benefit from this FANTASTIC event after November 1st.**

**Watch your email and newsletters...we fill this event to capacity each year and when the registration opens, it is first come first served!**

**GIANT QUAIL HUNTS  
FOR 2017  
ONLY 2 LEFT!!**

**We are taking reservations for the GIANT QUAIL hunts for this year. These hunts are all day events and groups of up to four can harvest 100 Bobwhite Quail. This is a fantastic workout for your dog or you can chose to have an RMR guide take you on the adventure. The cost is still only \$950 for**

members and their guests (Giant Quail hunt cost for non-members is \$1250) and this is a limited opportunity.

We run these hunts from the first of November through December 15th.

You don't have to pick a date now, but you do need to get your name on the list for a hunt or two. There are 2 hunts left, and we have started taking reservations for the fall. Give us a call or email us to get on the list for one or two hunts! 719-635-3257

## DO BULLET PROOF VESTS REALLY WORK??

Can you imagine the guy that was the test dummy for the first bullet proof vest? Here is a dummy that is testing a modern vest!

## GOOSE AND DUCK HUNTING

DON'T GET LEFT OUT ON THIS SPECIAL PRICING!!

For more than 25 years, Rocky Mountain Roosters has had a great relationship with STILLWATER OUTFITTERS and Travis Reininger.

Travis is still giving the RMR folks the AWESOME discount for his waterfowl hunts, and he agreed to hold the price if you make a reservation to hunt before December 15th. His price for the waterfowl hunts is \$250, but RMR folks will save \$50 per gun if you book a date between now and the end of the season, which is February 11, 2018.

You don't have to hunt before the 15th of December to get the discount, but you do have to make a reservation to hunt.

CALL TRAVIS AT 303-659-8665 and tell him you are with RMR to get the \$50 per gun discount. DON'T WAIT and miss out on the RMR deal!! You can see his website at [www.stillwateroutfitters.net](http://www.stillwateroutfitters.net) and he is also under our affiliates on the Rocky Mountain Roosters home page.

## NEW FOR THIS SEASON

If you are a single hunter or a pair of hunters, and don't have anyone to fill the pit with you, RMR is taking your names and putting together groups so you don't have to pay additional money to fill the pit of four hunters. If you want on the "FILL IN LIST", email us and we will get you in the system to get you out on some hunts. Also---if you have a group of 3 and need a 4th from the club, let us know, too. Email [hunt@rmroosters.com](mailto:hunt@rmroosters.com)

## HOW TO MAKE RESERVATIONS TO HUNT AT YOUR CLUB

Here are the rules for you to make a reservation. Remember that we have a 48 hour cancellation policy. IF weather is so bad that it is unsafe to get to the club, we will cancel the hunt and will call you. We do not want to endanger anyone, but we hunt in all sorts of weather.

If you call the office to make reservations, please speak slowly and leave your phone number....believe it or not we have more than one John or Jim as members!

The only number you call to make reservations is the office--719-635-3257. Leave a message and we will return your call as soon as possible. (Don't call the clubhouse to make reservations....please!)

We are in the office Monday - Friday, 8am-5pm so you can talk to a live body to make reservations and ask questions...call us at 719-635-3257.

You can also make reservations by email. Email [hunt@rmroosters.com](mailto:hunt@rmroosters.com)

When you email a reservation, we will reply to you to confirm the reservation. You need to tell us how many hunters are in your group, if you will need a guide (are you hunting with your own dog or not) and what birds you want to shoot....Pheasants or Chukar or BOTH. A mixed bag is a lot of fun and you don't have to care about what gets up to shoot at.

Do not email hunting reservations after 5pm on Friday....weekends. We don't always look at email during the weekends. Call the office number and it will direct you to the clubhouse, if we are not in the office to get your call.

**EMAIL OR PHONE...THOSE ARE THE TWO WAYS TO MAKE RESERVATIONS. DO NOT CALL THE CLUBHOUSE TO MAKE RESERVATIONS (UNLESS IT IS ON THE WEEKEND)**

**REMEMBER!!!**

There is a 48 hour cancellation policy.

**We can not take more than 4 people in a party NO EXCEPTIONS!!  
The guide fee is \$50 per group, not per person. 1 to 4 hunters.  
Hunts start at 8 and run until 11am or from 1 to 4pm.**

**CANCELLATIONS OR RESERVATIONS AFTER HOURS OR ON THE WEEKENDS--**

**Leave us a message if it is after hours. Do not email on weekends either. If you have a cancellation, you must call so we are 100% sure we get the message that you can't make your hunt. We will call you back to confirm it.**

**Please don't email cancellations. Also, we don't have texting capabilities (we don't do texts)**

**TWO FOR THE ROAD**

A traffic Policeman recently stopped a woman for exceeding the posted speed limit. He asked the driver her name.

She said, "I'm Mrs. Ladislav Abdulkhashim Zybkcicraznovskaya from the Republic of Uzbekistan."

The cop put away his summons book and pen, and said, "Well... OK... but don't let me catch you speeding again."

A wife got so mad at her husband she packed his bags and told him to get out.

As he walked to the door she yelled, "I hope you die a long, slow, painful death."

He turned around and said, "So, you want me to stay?"

A photograph of a dog sitting on a brown leather chair. The dog is looking towards the camera. In the background, there is a window with patterned curtains and a bird, possibly a pheasant, is visible on the right side of the frame. The text is overlaid on the top part of the image.

**ALL I'M SAYING IS THAT IT KIND  
OF HURTS MY FEELINGS WHEN I**

**POINT A BIRD  
AND YOU CAN'T  
HIT IT.**

**REMEMBER!!**

The day after Thanksgiving is a VERY POPULAR hunting day! If you want to hunt with us on the 24th of November, get your reservation on the books ASAP! (The rest of the weekend isn't a problem, but BLACK FRIDAY is FEATHER FRIDAY for many of our RMR friends and family!
