## RMR E-News THANKSGIVING WEEK 2015

**Hello RMR Faithful!**

**This is a fun time of year for me. I get to see families that have been coming for many, many years and I get to see the kids and the grandparents enjoy what God has given us. Friends and family are something not to take for granted, that is for sure!**

**As we celebrate the Thanksgiving Holiday Week, we want to thank you for our 29 previous Thanksgivings with you. Some of you have seen most of them and for some this is your first season with RMR. Either way, we are blessed to have you as part of our extended family.**

**If you are running your own dogs, we can still take a few hunts for the Friday after Turkey Day. Saturday is still good and all day Sunday is open for guided and own dog hunts. (Sunday is one of the best days to hunt since there are so many birds in the field after the busy holiday week...HINT HINT)**

**Give us a shout or an email to get a hunt or two. We are closed in the office as of Wednesday at 5pm, so call the clubhouse for changes or to make a last minute reservation. 719-347-2205**

**WOULD YOU DO US A FAVOR, PLEASE??**

**Would you take the time and get on TRIPADVISOR and give Rocky Mountain Roosters a review? It helps when people are looking for a day hunt or a club**

to belong to. [Click here to review RMR](#)

## RMR MEMBER NEWS

Fred Veitch is recovering from his second hip replacement and I spoke with him tonight and he says that he is doing great. We will see him soon! Keep him in your prayers.

If you want to come out and shoot on the new clay target ranges, come on out! The newest shooting stand on the east side is now named LIBERTY 5-STAND and the west side is the FREEDOM PYRAMID. We will be introducing a memorial wall in the next two weeks as well. Watch your emails.

**The counter system is up and working at the clay shooting ranges. This new system allows for much easier shooting if you are by yourself too! Come into the office and get a card and we will show you how to use the system. It is really slick!**

## Wrestling With A Turkey

Have you seen a turkey this large before??

(This is a funny commercial!)

## Dancing Fever

A great editing job of a slurry of great old movies and very talented people. Share this with your family over the holiday

## LESSONS FROM PARIS

We all need to be more aware and vigilant than ever before. Terror is on our doorstep, whether you want to believe it or not. We need to be ready to defend ourselves and our property. Here is a good article written by a retired US Marshall.

## **WHAT IF????**

Here are the rules for you to make a reservation. Remember that we have a 48 hour cancellation policy. IF weather is so bad that it is unsafe to get to the club, we will cancel the hunt and will call you. We do not want to endanger anyone, but we hunt in all sorts of weather.

If you call the office to make reservations, please speak slowly and leave your phone number....believe it or not we have more than one John or Jim as

members!

The only number you call to make reservations is the office--719-635-3257. If it is after hours during the week, leave a message and we will call you the next business day. (Don't call the clubhouse to make reservations....please!) You can call the office Monday - Friday, 8am-5pm and make reservations by phone at 719-635-3257.

You can also make reservations by email. [Email hunt@rmroosters.com](mailto:hunt@rmroosters.com)

When you email a reservation, we will reply to you to confirm the reservation. You need to tell us how many hunters are in your group, if you will need a guide (are you hunting with your own dog or not) and what birds you want to shoot....Pheasants or Chukar or BOTH. A mixed bag is lots of fun and you don't have to care about what gets up to shoot at.

Do not email hunting reservations after 5pm on Friday....weekends. We don't always look at email during the weekends. Call the office number and it will direct you to the clubhouse, if we are not in the office to get your call.

**EMAIL OR PHONE...THOSE ARE THE TWO WAYS TO MAKE RESERVATIONS. DO NOT CALL THE CLUBHOUSE TO MAKE RESERVATIONS (UNLESS IT IS ON THE WEEKEND)**

**REMEMBER!!!**

There is a 48 hour cancellation policy.

We can not take more than 4 people in a party NO EXCEPTIONS!!

The guide fee is \$50 per group, not per person. 1 to 4 hunters.

Hunts start at 8 and run until 11am or from 1 to 4pm.

## TWO FOR THE ROAD

A guy goes to a girl's house for the first time, and she shows him into the living room.

She excuses herself to go to the kitchen to make them a few drinks, and as he's standing there alone, he notices a cute little vase on the mantel.

He picks it up, and as he's looking at it, she walks back in. He says "What's this?"

She says, "Oh, my father's ashes are in there."

He goes, "Geez...oooh...I..."

She says, "Yeah, he's too lazy to go to the kitchen to get an ashtray."

+++++++

There were 3 men who were working on a bridge.

One of the worker's name was John, the other one's name was Randall, and the last one's name was Joe.

So one day when the 3 men were taking a lunch break, they all opened up their lunch box and saw what their wives had gave them for lunch.

When John opened his lunch, he saw that he had peanut butter and jelly, so then he said, "If my wife gives me the same lunch tomorrow, I'm going to jump off this bridge."

Then Randall opened his lunch and saw that he had spaghetti and meatballs.

So then he also said the same thing as what John said. Then when Joe opened his lunch he saw that he was having a chicken salad.

So then he said that he too was going to jump off the bridge if he got the same lunch the next day.

So the next day, all 3 men had the same lunch from yesterday and they all jumped off.

A week later when the funeral was scheduled, John's wife said, "If my sweetie- pie told me he wanted a new lunch, he should have told me!" then Randalls wife said "Why did he do it? Why??" then Joe's wife said, "Why did he jump off the bridge? He packed his own lunch!"

RMR manager Bill Lieb had a heart attack this summer and is back to work after a quadruple bypass and several months of therapy. This was a wake-up call for Bill and he dodged the bullet for sure.

We have invested in an AED---Automated External Defibrillator-- and it is located in the hall across from the bathrooms. They are automatic and easy to use. All of the guides are trained in CPR and first aid, too.
